ENVIRONMENTAL RESOURCE SPECIALIST

We have a current opening for an **Environmental Resource Specialist** to provide environmental and solid waste planning assistance to INRCOG, its member cities and counties, and the Iowa Waste Exchange program.

Our Environmental Resource Specialist participates in the delivery of environmental and solid waste planning services and projects including assessing waste streams; identifying and expanding reuse and recycling opportunities; researching recycling markets; and conducting waste sorts. Additional duties include assisting with the preparation of the Solid Waste Comprehensive Plan for the INRCOG region and preparing grant applications. A bulk of the work for this position involves working with commercial and industrial sites to promote the Iowa Dept. of Natural Resources' [Iowa Waste Exchange](#) Program in Service Area 3.

INRCOG offers excellent benefits including paid time off, flex scheduling, IPERS, health and dental insurance, and life and LTD insurance.
