

CITY OF NEW HAMPTON 2024 STREET RESTORATION BID

The City of New Hampton Street Department submits the following proposal for an estimated 15,200 square yards of seal coat surfacing as directed by the Street Superintendent. Insurance, barricades, advanced notice of seal coat and removal of all vehicles in conflict with the project, etc, shall be the responsibility of the contractor. City staff will cover all manholes and water valves prior to application.

A certified check in the amount of not less than five percent (5%) of the total bid or satisfactory bid bond executed by the bidder, and an acceptable surety, shall be submitted with the bid.

SEAL COAT

Prior to the application of seal coat, the surface shall be cleaned. The seal coat will consist of an application of MC 3000 asphalt at the approximate rate of 0.35 gallons per square yard.

COVER AGGREGATE

Cover aggregate will be approximately 15,200 square yards of 3/8 washed chips. Aggregate will be spread at approximately 25-30 pounds per square yard and then rolled by a rubber roller.

MEASUREMENT

When the project is completed, a representative of our firm and a representative from the City will measure the said areas.

STARTING DATE

The starting date will be as soon as the contract is signed and satisfactory proof of insurance received.

COMPLETION DATE

The project shall be completed on or before September 30, 2024.

Failure to have said project completed will constitute \$100.00 per day penalty until completed.

If you have any questions, feel free to reach out to Eric Kuehn, Street Superintendent at 641-330-0606 or Casey Mai, Public Works Director at 641-557-8244.

All bids are to be submitted to the City Clerk's Office by the 20th day of May, 2024 at 5:00 p.m. Bids will be opened at the regular schedule council meeting at 7:00 p.m.

The City reserves the right to accept or reject any or all bids.
