

PUBLIC WORKS DIRECTOR

\$110,490 – \$126,214 annually

About Mason City:

Mason City, Iowa, has a population just over 27,000 and we are located just two hours from Des Moines and the Twin Cities. Known as the "River City" due to its proximity to the beautiful Winnebago River, and connection to The Music Man musical, Mason City boasts stunning architecture, scenic parks and bike paths, and is a growing tourism destination.

Job Overview:

As the Public Works Director, you will play a pivotal role in shaping the future of Mason City's infrastructure. You will lead a dedicated team responsible for maintaining and enhancing our streets, utilities, parks, and public facilities. Your strategic vision and leadership will be instrumental in ensuring the sustainable growth and development for our community.

Minimum Qualifications:

- Graduation from an accredited four-year college with a bachelor's degree in civil or sanitary engineering, business administration, or public administration, or a closely related field.
- Five (5) years progressively responsible public works management experience, with significant experience in a community of similar size and/or service level.
- Advanced education in a related field, additional related work experience in a management capacity, and significant experience in capital budget management and strategic planning is a plus.
