Truck Specs That Mean Business

- **2008 International MaxxForce 9**
- Built by Central States / Rosenbauer
- Just **12,100 miles** and **1,170 engine hours**—barely broken in
- 4-speed Allison automatic transmission
- Front-wheel drive available
- Rear automatic snow chains (because Iowa winters don't play)
- Seats 5 with 4 SCBA Smart Dock brackets
- Fully serviced in September 2024

Pump It Up

- Top-mount **1500 GPM pump** (tested 07/30/25)
- 1,000-gallon onboard water tank
- Class B Foam Pro system
- Discharges galore:
 - (4) 1¾" pre-connects
 - (5) 2½" discharges (left, right, rear)
- Inlets:
 - (2) 2½" pump inlets
 - (2) 6" steamer inlets
 - (1) 2½" direct tank fill
- Top-mounted deck gun for the big jobs

Loaded with Gear

- 16,500 lb. Warn winch (mounts on all four sides—yes, really)
- Resqtec 5,000 PSI hydraulic pump, ram, spreader, and cutters
- Hart-A-Gen 13.5kW generator with cord reels
- Will-Burt telescoping light tower
- Ladders: 35' extension, 15' roof, and attic
- Two 6" hard suction sections
- Emergency lights and sirens (included if sold to another emergency department)
