

Request for Proposals  
For  
Affidavit Operator Services  
Cincinnati, Iowa

The City of Cincinnati, Iowa is seeking a part-time Affidavit Operator to provide operating and maintenance services for the water distribution system and wastewater collection and treatment systems. Below are the Affidavit Operator certification requirements:

Wastewater System: The operator shall be certified in accordance with Iowa Administrative Code (IAC) 567 Chapter 81 and shall be at minimum certified as a Grade II WW operator in accordance with IAC 567 – 81.3 (455B).

Water System: The operator shall be certified in accordance with Iowa Administrative Code (IAC) 567 Chapter 81. Operator shall meet the education and experience qualification as set forth in IAC 567 – 81.7(455B). The operator for the water distribution system shall be at a minimum certified as a Grade I operator in accordance with IAC 567 – 81.5(455B).

Contact City Hall by phone at (641) 658-2666 or by email at [cincy@windstream.net](mailto:cincy@windstream.net) to obtain the full Request for Proposals.

Proposals will be accepted until September 3, 2025, or until the position is filled.
