The City of Charles City in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, U.S.C. 2000d 4 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to the advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, national origin, sex age, or disability in consideration for an award.

By virtue of statutory authority, preference will be given to products of, provisions grown, and coal produced within the State of Iowa and to Iowa Domestic Labor.

The right is reserved, as the interest of the City of Charles City, Iowa, may require, to reject all bids, any unresponsive bid and to waive technicalities in bids received.

The work under this project shall be completed on or before May 29, 2026. The City desires to have the 17th Avenue storm sewer completed yet in 2025.

Payment for said "2025 Storm Sewer Improvement Project" will be made from cash on hand or from such other funds as may be legally used for such purposes. The Contractor shall prepare monthly a summary of the quantities of completed work. The Engineer will verify the summary prior to preparing the payment application. Monthly estimates will be made by the CITY and payment will be made to the CONTRACTOR in the amount of ninety seven percent (97%) of said estimate on or about the tenth of the following month. In accordance with Iowa Code Chapter 573, final payment of retained funds shall be released thirty (30) days following the City Council action accepting the project and authorizing final payment.

The successful bidder will be required to furnish a bond in an amount equal to one hundred (100) percent of the contract price, said bond to be issued by a responsible surety approved by the City Council and which shall guarantee a faithful performance of the Contract and the terms and conditions therein contained and shall guarantee the prompt payment of all materials and labor and protect and save harmless the City from claims and damages of any kind caused by the operations of the Contractor.

Plans and specifications governing the construction of the proposed improvements have been prepared by the Charles City Engineering Department which plans and specifications and the proceedings of the City Council referring to and defining said proposed improvements are hereby made a part of the Notice by reference, and the proposed contract shall be executed in compliance therewith. Copies of said plans and specifications are now on file with the Charles City City Clerk and may be examined by the bidders.

Paper copies of plans and specifications can be obtained from the City of Charles City upon payment of a refundable deposit of \$10.00 which shall be refunded upon return of the contract documents in a reusable condition within fourteen days after award of the project. If the contract documents are not returned in a timely manner and reusable condition, the deposit shall be forfeited. Electronic copies of the bidding documents are available by contacting the Charles City Engineering Department (john@cityofcharlescacity.org) for information on electronic copies of the bidding documents.
