Primary Responsibilities:

- Overseeing day-to-day operations across electric, gas, water, wastewater, and street departments
- Planning, budgeting, and managing capital improvement projects
- Providing leadership, training, and supervision to departmental staff
- Assisting with community planning and development initiatives
- Ensuring regulatory compliance and safety standards are met
- Collaborating with city leadership, contractors, and citizens to deliver high-quality public services
- Providing technical expertise for infrastructure maintenance and improvements

Qualifications:

- Bachelor's degree in Public Administration, Engineering, Business, or related field; or Associate's degree with relevant experience
- Experience in utility operations or public works leadership strongly preferred
- Strong communication and interpersonal skills, with the ability to work collaboratively with staff, council, contractors, and community members
- Knowledge of municipal infrastructure systems and capital project management

Compensation & Benefits:

- Salaried Position Commensurate with Qualifications
- IPERS Retirement
- Wellmark Blue Cross/Blue Shield Health Insurance
- Paid vacation, holidays, personal leave, and sick days
