Centrally located in the heart of Iowa, Ames is a vibrant, progressive community with more than 66,000 residents providing an excellent quality of life. Home to Iowa State University, Ames offers year-round recreation opportunities, diverse cultural offerings, a stable economy, safe neighborhoods, and a high-achieving school district.

General Information

The City of Ames is conducting a recruitment to establish a Civil Service eligibility list for this classification. The list will be valid for up to one year from the date of certification by the Ames Civil Service Commission and may be used to fill one or more vacancies in this classification. In addition, City of Ames Civil Service employees who have previously held Civil Service status in this classification and are interested in voluntarily demoting or laterally transferring into the current vacancy must submit their application by the deadline.

Performs manual labor including heavy maintenance and construction work involving semi-skilled tasks; performs related work as required supporting the construction, maintenance, and repair of City infrastructure and utilities. Employees operate tools, vehicles, and heavy equipment to maintain safe, functional, and efficient public facilities and systems. Duties vary by division assignment (Streets or Utility Maintenance for this recruitment) but share a commitment to safety, teamwork, and public service.

In order to be considered for this position, all applicants must submit their online application by the deadline listed on this posting. Your application includes complete responses to the supplemental questions. Please keep in mind that submission of a resume in lieu of work history on your application or answering the supplemental questions is not sufficient.
