Preference of Products and Labor. Preference shall be given to domestic construction materials by the contractor, subcontractors, materialmen, and suppliers in performance of the contract.

By virtue of statutory authority, preference will be given to products and provisions grown and coal produced within the State of Iowa, and to Iowa domestic labor, to the extent lawfully required under Iowa statutes.

In accordance with Iowa statutes, a resident bidder shall be allowed a preference as against a nonresident bidder from a state or foreign country if that state or foreign country gives or requires any preference to bidders from that state or foreign country, including but not limited to any preference to bidders, the imposition of any type of labor force preference, or any other form of preferential treatment to bidders or laborers from that state or foreign country. The preference allowed shall be equal to the preference given or required by the state or foreign country in which the nonresident bidder is a resident. In the instance of a resident labor force preference, a nonresident bidder shall apply the same resident labor force preference to a public improvement in this state as would be required in the construction of a public improvement by the state or foreign country in which the nonresident bidder is a resident.

General Nature of Improvement. The work generally consists of the following;

**Division 1 - Elevated Storage Tank:** Furnish all labor, materials, equipment, and incidentals to construct and erect a new 1,000,000 gallon elevated storage tank with 161 feet to high-water-level, including but not limited to the following: mobilization and design, foundation, fabrication and erection, surface preparation and coating, site work and piping, electrical and tank mixing system, and miscellaneous associated work. The Base Bid is for a multi-column tank with a maximum bowl height of 33 feet, Alternate A is for a multi-column tank with a maximum bowl height of 40 feet, and Alternate B is for a pedestal tank.

**Division 2 – Transmission Main:** Furnish all labor, materials, equipment, and incidentals to construct and complete water main improvements, including but not limited to approximately 12,300 feet of trenched 12 inch PVC water main, 460 feet of trenchless 12 inch PVC water main, valves, hydrants, connections, surface restoration, seeding, and miscellaneous work.

Building materials, supplies, and equipment incorporated into said improvement are exempt from Iowa Department of Revenue and Finance sales tax and any applicable local option sales tax and school infrastructure local option sales tax pursuant to Iowa Code Sections: 422.42 (15) & (16), and 422.47 (5). Bidder shall not include payment of Iowa sales tax in Bid. Poweshiek Water Association will provide Purchasing Agent Authorization Letter and Designated Exempt Entity Iowa Construction Sales Tax Exemption Certificate. Contractor will coordinate sales tax exempt purchases with subcontractors and material and equipment suppliers. Contractor will maintain records identifying the materials purchased sales tax exempt and will maintain records verifying the use of said materials on said improvement.

Payment of the cost of said project will be made from funds secured through the Iowa Department of Natural Resources State Revolving Loan Fund, or from such funds as may be lawfully used for said purpose. A combination of the above methods may be used at the discretion of the Owner. Labor Standard Provisions are applicable; Contractors will be required to comply with the “Consolidated Appropriations Act, 2014”, enacted January 17, 2014 by the U.S. Congress, includes “**American Iron and Steel**” provisions.

Payment to the Contractor for said improvements will be made in monthly estimates and one final payment. Monthly estimates will be equivalent to ninety-seven percent (97%) of the contract value of the work completed during the preceding calendar month. Such monthly payment will in no way be construed as an act of acceptance for any part of the work partially or totally.

Final payment to the Contractor will be made no earlier than thirty-one (31) days from and after final acceptance of the work by Poweshiek Water Association. Before final payment is made, the Contractor shall file with Poweshiek Water Association, lien waivers from material suppliers and/or subcontractors showing that they were paid in full for materials supplied and/or work performed on the project.

Liquidated damages in the amounts as follows will be assessed for each day that the work shall remain uncompleted after the end of the contract period with due allowance for extension of contract period due to conditions beyond the control of the Contractor.

**\$800** per working day that the work is not fully complete.

Bonus payments in the amounts as follows shall be made to the Contractor for early completion of the project prior to the contract period. Contractor will not be eligible for bonus payments until work is fully complete and ready for final payment and all required documentation has been submitted.

**\$800** per working day that the work is fully complete, with a maximum bonus payment of **\$24,000** per Division.

Successful Bidder will be required to furnish Performance, Payment and Maintenance Bond acceptable to the Poweshiek Water Association on the form provided in the specifications in amounts equal to one hundred percent (100%) of the contract price.

Up to two (2) contracts may be awarded for the work. The Division 1 contract will be awarded for either the Base Bid or one of the Alternate Bids. Award of each contract will be to the lowest responsive, responsible, qualified bidder submitting the lowest acceptable bid. Poweshiek Water Association, Iowa hereby reserves the right to reject any or all bids, to waive informalities and irregularities and to enter into such contract as it may deem to be for the best interest of the Poweshiek Water Association. A bidder shall not withdraw its proposal for a period of sixty (60) calendar days after the date designated for opening of proposals.

Notice to Proceed will be issued on a date mutually agreed to by Poweshiek Water Association and Contractor. The work under the proposed contract shall begin upon the issuance of the Notice to Proceed and be fully complete and ready for final payment as follows:

**Division 1 – on or before November 1, 2027**

**Division 2 – on or before June 1, 2027**

This Notice is given by authority of the Poweshiek Water Association.
