

RFQ for Engineering Services

The City of Coin is requesting proposals for engineering services to assist with a project seeking funding under the Community Development Block Grant (CDBG) Program through the Iowa Economic Development Authority (IEDA) as well as the United States Department of Agriculture (USDA).

The proposed project includes a complete preliminary engineering report for the City of Coin's water system to address any possible needs.

Proposals to the City of Coin should include the minimum information:

- Experience with IEDA's CDBG Program
- Description of similar projects the firm has successfully completed
- Description of organizational capacity to complete all necessary activities, including an estimated project timeframe
- Names and professional experience of key personnel who will be assigned to this project
- References from previous clients of related work within the past five years
- Description of firm's professional errors and omissions coverage

Costs should not be included in requests for qualifications; the City of Coin will negotiate cost with the selected respondent.

A full description of the work specifications and Federal requirements is available at Coin City Hall, 506 Depot St., Coin, IA 51636. The City of Coin intends to apply for USDA SEARCH grant funding to cover the costs of engineering services.

Proposals must be submitted no later than May 1st, 2026, at 4:00pm. Proposals should be submitted to Danielle Briggs at Danielle.briggs@swipco.org.

Questions regarding this request for proposals should be directed to Danielle Briggs, SWIPCO Lead Planner, at Danielle.briggs@swipco.org or 712-243-4196.
