

Safety and Risk Improvement Manager

The Iowa League of Cities seeks a qualified candidate for its Safety and Risk Improvement Manager position. The Safety and Risk Improvement Manager evolves, improves, and oversees the strategic direction and daily operations of the Safety and Risk Improvement department. This includes supervising and coordinating the activities of the loss control division, responding to safety and loss control inquiries, analyzing loss data, researching industry trends, and implementing programs to enhance safety and risk mitigation for IMWCA members.

Bachelor's degree or equivalent combination of education and experience. Extensive technical skills and continuous professional development in loss control, safety, and risk management. Five (5) years' experience in safety and loss control.

Please send letter and resume by June 19, 2026 to shannonbusby@iowaleague.org.
