

NOW HIRING

City & Public Works Superintendent

The City of Fenton is seeking a dependable, motivated, and hands-on individual to serve as our **City & Public Works Superintendent**. This full-time position oversees the operation and maintenance of city water, wastewater, garbage, recycling, utilities, streets, snow removal, parks, and city owned buildings.

Responsibilities Include:

- Supervise and perform daily public works operations
- Maintain streets, water/sewer systems, and city equipment
- Coordinate repairs, snow removal, mowing, and maintenance projects
- Ensure compliance with safety and environmental regulations
- Assist with budgeting, planning, and reporting
- Respond to emergencies and after-hours situations as needed

Qualifications:

- Experience in public works, utilities, construction, or related field preferred
- Knowledge of equipment operation and maintenance
- Strong organizational and communication skills
- Ability to work independently and supervise projects
- CDL and water/wastewater certifications preferred or ability to obtain

Benefits:

- Competitive salary based on qualifications and experience
- Health benefits and retirement package
- Paid holidays and vacation
