

**Washington County Ambulance Services
Emergency Medical Technician (EMT)
Part-time Positions Available**

Individual will be responsible for providing EMT level patient care in accordance with the ambulance service protocols and under the direction of the medical control physician or physician designee; transporting patients to their respective destination; completing and submitting patient care reports, billing sheets, and other documentation; and responding to calls as directed.

Special requirements: current EMT certification in the State of Iowa and current BLS provider certifications; and completion of mandatory reporter training.

Education and experience requirements: high school graduate or equivalent and successful completion of the prescribed course curricula in an approved EMT training program as determined by the Iowa State Bureau of Emergency Medical Services (EMS); knowledge of EMS and the operations of an advance ambulance service; and knowledge of EMT level pre-hospital medical care standards.

Salary: to be determined, based on education and/or experience.

Employment application and full job description may be found at <https://washingtoncounty.iowa.gov>. Please submit completed County application, and/or any other application materials to be considered to:
