

PUBLIC SERVICES TECHNICIAN

The City of Adair, Iowa, is accepting applications for a full-time Public Services Technician as part of the City's two-person public services crew. The position performs skilled and semi-skilled work involving water and wastewater operations, street and drainage maintenance, snow and ice removal, grounds and municipal facility maintenance, equipment operation, utility emergencies, recordkeeping, and other duties necessary to maintain City services. Grade II Iowa water treatment and Grade II Iowa wastewater treatment licenses are desired, and preference may be given to candidates possessing those licenses or other relevant public works experience and certifications. Applicants must possess a valid driver's license and be able to obtain and maintain any required commercial driver's license and job-related certifications. The City offers competitive, industry-based pay commensurate with qualifications and experience, together with full employer-paid premiums for major medical insurance. Application materials must be submitted to city@adairia.gov no later than 4:00 p.m. on September 30, 2026. Applications will be reviewed upon receipt. The City of Adair is an equal opportunity employer.
