Tiffin is growing—and we're looking for someone who wants to help **build it right!**

The City of Tiffin is seeking a **Building Inspector I** to join our team and play an important role in supporting safe, quality residential construction throughout our growing community.

This position works with **homeowners, contractors, builders, design professionals, City staff, and the public** to conduct inspections, review permits, interpret building codes, and help ensure construction meets applicable safety standards.

WHAT WE'RE LOOKING FOR

We're looking for someone who is:

- Knowledgeable about residential construction and building practices
- A strong communicator who can explain technical information clearly
- Professional, approachable, and customer-service oriented
- Comfortable working independently and making sound decisions
- Detail-oriented with strong problem-solving skills
- Able to work effectively with contractors, property owners, coworkers, and the public
- Comfortable using technology and willing to learn new systems and processes

A high school diploma or GED is required. An associate degree in Building Construction Technology or a related field and previous residential construction or inspection experience are preferred.

Don't have your inspection certifications yet? That's okay! The successful candidate will have the opportunity to obtain ICC Residential Building and Electrical Inspector certifications within one year of hire.

WHY TIFFIN?

Tiffin is a rapidly growing community in Johnson County, and our Building Department is at the center of that growth. This is an opportunity to join a team where your work has a direct and visible impact on the community.

If you're ready to bring your construction knowledge, communication skills, and problem-solving abilities to a growing Iowa community, we'd love to hear from you!
