Wastewater Treatment Plant Superintendent

The City of Creston is currently hiring for the position of Wastewater Treatment Plant Superintendent. The Wastewater Treatment Plant Superintendent manages the daily operations, maintenance, and regulatory compliance of the wastewater treatment facility and sewage collection system to protect public health and the environment. Must have a high school diploma or equivalent with at least ten years of experience in a wastewater treatment plant including a minimum of four years of supervisory experience in direct responsibility charge. Must have a current valid Iowa driver's license, a possession of valid Class B CDL with tanker endorsement is preferred. If not held, it must be obtained within six months of hire, and a current Grade 3 or Grade 4 Wastewater Operator Certification issued by the Iowa Department of Natural Resources. Wage is based on experience and qualifications.

City of Creston is an equal opportunity employer. Veterans' preference applies under Iowa Code Chapter 35C. Applicants claiming veterans' preference must submit a copy of their DD-214 by the application deadline.

Any offer of employment is conditional on a post-offer physical, drug and alcohol testing, PCP test, a background check and hepatitis B vaccination.
