Welcome to Navnirman College of Nursing .....

Whenever I am asked to define education, I remember a beautiful quote of Mahatma Gandhi on it. He said, “Real education has to draw out the best from the boys and girls to be educated.” Truly inspired by the visions of Gandhiji and other eminent educationists of our country and the rest of the globe, we have decided to come up with one more significant and creative step in school education with a strong commitment of use of modern and innovative approach for spreading knowledge.

Well, I am extremely delighted to welcome you warmly to Navnirman College of Nursing Sangemeshwar , which is dedicated to inculcate strong moral values, qualities of integrity, honesty, creativity, imagination, perseverance, benevolence, discipline, self-confidence, transparency of thoughts and command over communication skills in all its students besides academic excellence. We are at the doorstep of a new challenge and opportunity with a pledge of making our Nursing College a centre of excellence where a stress free and caring environment is there for nurturing the young minds.

We seek your vital co-operation and a great support for all times to accomplish the high standards.

At every step we had the support and motivation provided by the confident parents, dedicated teachers and committed students. Today, Navnirman Shikshan Sanstha is growing from the strength to strength with ethical professional practices and is recognized as a reputed name in education. “Awake arise and stop not till your goal is reached” are our words of inspiration.

In all these years of experience I learnt one very simple yet very significant lesson. The need of the society is like an ocean and the service we render are mere drops. So I am now determined to add as many drops as I can and say to myself with contentment, I tried my best.

# INTRODUCTION

*Photo*

**Navnirman shikshan sanstha** has been established in 1998 with a noble cause of imparting higher education among the youth of Konkan region and with strong belief of serving the society and improving the quality of life of the rural youth. Sanstha plans to open a chain of higher quality modern learning centers throughout Konkan region especially for the benefit and upliftment of the under privileged class of society.

Navnirman sanstha is working with basic thoughts and values of Rashtra Sewa Dal founded by Sane Guruji. "Khara to Eakchi Dharma Jagala Prem arpave." according to this famous quote our Sanstha follows the major principles and values such as Democracy, Socialism, Secularism, Nationalism and Scientific approach. Sanstha's significant movement is dedicated to eradicate social and educational problems. We believe that 'Every student has right to Education' so, Our efforts are to reach the doorstep of the last member of society with higher education. No one should be isolated from education due to lack of financial source. Apart from the above, most of the office bearers of the Sanstha have long association with this social movement.

After two decades of experience in Education, Sanstha is willing to work in paramedical education through BSc Nursing at Lovale, Sangmeshwar. In today's world the significance for better health services has become more important. Although in the developing nations reformation of the health infrastructure is a challenge, the efficient medical staff is need of the hour. Therefore, with increase in population the demand for health facilities, health workers are rising day today. Navnirman is willing to open this new path of Medical Education to Konkan region for better future. The most fundamental principle in medicine is love and care. Nursing is the field that incorporates these principle extensively.

Nursing is a noble profession and nurses are committed to love and care for suffering people. The continuing evolution of health care and technology open new doors for nurses and nursing education. It requires caring professionals who will excel in meeting the challenges of a rapidly changing healthcare scenario.

# AUTHENTICITY OF COLLEGE

Navnirman Shikshan Santha Ratnagiri, is established under the Public Trust Act of 1950 & 1860. Navnirman Shikshan Santha has developed a sustainable, innovative learning environment which focuses on the three main fundamental of life physical, mental, proactive and Scientific fitness of all. We provide leadership for student to live enlightened and productive lives as responsible citizens as we value education as the vehicle to inspire intellectual depth and breadth of our students.

## NAVNIIRMAN COLLEGE OF NURSING , SANGAMESHWAR

Navnirman College of Nursing is established under Navnirman Shikshan Santha, Ratnagiri, India. The college aims to prepare competent professional nurses to the International Standard, who would be capable of providing expert nursing services in all branches of nursing both at the institutional and community settings. Advances in technology are impacting the way that most people do their jobs-and nursing is certainly not different. With innovations in medical devices and software, technological advancement are literally changing the way that nurses practice. In above context Navnirman College of Nursing , Sangameshwar envisages imparting a broad base and in depth nursing program along with the essential basic sciences to its students. The College is affiliated to Maharashtra University of Health Sciences, Nashik & recognized by Government of Maharashtra.

## PHILOSOPHY

Navnirman College of Nursing, Sangameshwar believes that true Education is the harmonious development of the individual's Scientific, mental, social and physical being that shapes their value system and their outlook towards life, to steer the individual to this philosophy, Navnirman focuses its objectives as follows :
