Toolbook for Practitioners (Q&A)	1
INTRODUCTION	3
GENERAL FRAMEWORK	4
1. FIRST STEP: ARE THE HORIZONTAL AGREEMENT AND THE RESTRICTIONS CONTAINED IN IT CAUGHT BY THE PROHIBITION OF ARTICLE 101(1) TFEU?	6
1.1. Are we dealing with a horizontal agreement involving at least two independent undertakings?	6
1.2. Agreements other than horizontal agreements involving at least two independent undertakings.	8
1.3. Does the horizontal agreement have a sufficient effect on trade between Member States?	9
1.4. Does the horizontal agreement have the object or effect to restrict competition appreciably?	9
1.5. Are there any ways out?	13
2. SECOND STEP: DOES THE HORIZONTAL AGREEMENT BENEFIT FROM A BLOCK EXEMPTION?	14
2.1. Structure of the Research and Development BER, the Specialisation BER and the Horizontal Guidelines	14
2.2. Scope of application of the Research and Development BER, the Specialisation BER and the Horizontal Guidelines	15
2.3. Relevant market	17
3. THIRD STEP: DOES THE HORIZONTAL AGREEMENT BENEFIT FROM AN INDIVIDUAL EXEMPTION PURSUANT TO ARTICLE 101(3) TFEU? ...	17
RESEARCH & DEVELOPMENT ('R&D') AGREEMENTS	19
PRODUCTION AGREEMENTS	34
PURCHASING AGREEMENTS	47
COMMERCIALISATION AGREEMENTS	59
BIDDING CONSORTIA	66
INFORMATION EXCHANGE	69
STANDARDISATION AGREEMENTS	80
STANDARD TERMS	88
SUSTAINABILITY AGREEMENTS	93
SUSTAINABILITY STANDARDISATION AGREEMENTS	100

Research and Development Agreements (Commission Regulation (EU) 2023/1066)	105
Article 1. Definitions	111
Article 2. Exemption	114
Article 3. Access to the final results	114
Article 4. Access to pre-existing know-how	115
Article 5. Joint exploitation	115
Article 6. Market share thresholds and duration of exemption	116
Article 7. Application of the market share thresholds	117
Article 8. Hardcore restrictions	117
Article 9. Excluded restrictions	118
Article 10. Withdrawal in individual cases by the Commission	119
Article 11. Withdrawal in individual cases by the competition authority of a Member State	120
Article 12. Transitional period	120
Article 13. Entry into force and application	120
Specialisation Agreements (Commission Regulation (EU) 2023/1067)	121
Article 1. Definitions	126
Article 2. Exemption	127
Article 3. Market share threshold	128
Article 4. Application of the market share threshold	128
Article 5. Hardcore restrictions	129
Article 6. Withdrawal in individual cases by the Commission	129
Article 7. Withdrawal in individual cases by the competition authority of a Member State	129
Article 8. Transitional period	130
Article 9. Entry into force and application	130
Guidelines on the Applicability of Article 101 of The Treaty on the Functioning of the European Union to Horizontal Cooperation Agreements (COM (2023) 4752)	133
1. INTRODUCTION	137
1.1. Purpose and structure of these Guidelines	137
1.2. Applicability of Article 101 to horizontal cooperation agreements	139
1.2.1. Introduction	139
1.2.2. Analytical framework	142
1.2.3. Assessment under Article 101(1)	143
1.2.3.1. Advantages of horizontal cooperation	143
1.2.3.2. Concerns arising from horizontal cooperation	144

1.2.4.	Restrictions of competition by object	144
1.2.5.	Restrictive effects on competition.	146
1.2.6.	Ancillary restraints	148
1.2.7.	Assessment under Article 101(3)	148
1.2.8.	Horizontal cooperation agreements that generally fall outside the scope of Article 101(1)	149
1.3.	Relationship to other guidance, legislation and case-law	151
2.	RESEARCH AND DEVELOPMENT AGREEMENTS.	153
2.1.	Introduction	153
2.2.	The R&D Block Exemption Regulation ('R&D BER').	154
2.2.1.	Definition of research and development in the R&D BER.	155
2.2.2.	Definition of R&D agreements in the R&D BER.	155
2.2.2.1.	Distinction between 'joint R&D' and 'paid-for R&D' and the concept of 'specialisation in the context of R&D'	156
2.2.2.2.	'Joint exploitation' of the R&D results and 'spe- cialisation in the context of joint exploitation'	156
2.2.2.3.	Assignment and licensing of intellectual property rights.	157
2.2.3.	Conditions for exemption under the R&D BER	158
2.2.3.1.	Access to the final results	158
2.2.3.2.	Access to pre-existing know-how.	159
2.2.3.3.	Conditions relating to joint exploitation	160
2.2.3.4.	Market share threshold and duration of the exemption.	160
2.2.4.	Hardcore and excluded restrictions	165
2.2.4.1.	Hardcore restrictions	165
2.2.4.2.	Excluded restrictions	167
2.2.5.	Relevant time for assessing compliance with the condi- tions of the R&D BER.	168
2.2.6.	Withdrawal of the benefit of the block exemption	168
2.2.7.	Transitional period	170
2.3.	Individual assessment of R&D agreements under Article 101(1).	170
2.3.1.	Relevant markets.	170
2.3.1.1.	Product markets	170
2.3.1.2.	Technology markets	171
2.3.1.3.	Early innovation efforts	171
2.3.2.	Main competition concerns	171
2.3.3.	R&D agreements that generally do not restrict competition	172
2.3.4.	Restrictions of competition by object	172
2.3.5.	Restrictive effects on competition.	173
2.3.5.1.	Market power	173
2.3.5.2.	R&D relating to existing products or technologies.	173

2.3.5.3.	Innovation relating to entirely new products and early innovation efforts	174
2.3.5.4.	Exchanges of information.	175
2.4.	Individual assessment of R&D agreements under Article 101(3) . . .	175
2.4.1.	Efficiency gains.	175
2.4.2.	Indispensability	176
2.4.3.	Pass-on to consumers.	176
2.4.4.	No elimination of competition.	176
2.5.	Relevant time for the assessment	176
2.6.	Examples.	178
3.	PRODUCTION AGREEMENTS	182
3.1.	Introduction	182
3.2.	Relevant markets	185
3.3.	The Specialisation BER	186
3.3.1.	Production agreements covered by the Specialisation BER.	186
3.3.2.	Other provisions covered by the Specialisation BER.	187
3.3.3.	Distribution under the Specialisation BER.	188
3.3.4.	Services under the Specialisation BER	189
3.3.5.	Market share threshold and duration of the exemption	189
3.3.5.1.	Market share threshold.	189
3.3.5.2.	Calculation of market shares	189
3.3.5.3.	Duration of the exemption	190
3.3.6.	Hardcore restrictions in the Specialisation BER	190
3.3.6.1.	Hardcore restrictions	190
3.3.6.2.	Exceptions	191
3.3.7.	Withdrawal of the benefit of the Specialisation BER	191
3.3.8.	Transitional period	192
3.4.	Individual assessment of production agreements under Article 101(1)	192
3.4.1.	Main competition concerns	192
3.4.2.	Restrictions of competition by object	193
3.4.3.	Restrictive effects on competition.	194
3.4.3.1.	Production agreements that are unlikely to lead to restrictive effects.	194
3.4.3.2.	Market power.	194
3.4.3.3.	Direct limitation of competition between the parties.	196
3.4.3.4.	Collusive outcome and anti-competitive foreclosure	197
3.5.	Individual assessment of production agreements under Article 101(3)	198
3.5.1.	Efficiency gains.	198
3.5.2.	Indispensability	199

3.5.3.	Pass-on to consumers	199
3.5.4.	No elimination of competition	199
3.6.	Mobile telecommunications infrastructure sharing agreements . . .	200
3.7.	Examples	205
4.	PURCHASING AGREEMENTS	211
4.1.	Introduction	211
4.2.	Assessment under Article 101(1)	212
4.2.1.	Main competition concerns	212
4.2.2.	Restrictions of competition by object	212
4.2.3.	Restrictive effects on competition	215
4.2.3.1.	Relevant markets	215
4.2.3.2.	Market power	216
4.2.3.3.	Collusive outcome	218
4.3.	Assessment under Article 101(3)	220
4.3.1.	Efficiency gains	220
4.3.2.	Indispensability	220
4.3.3.	Pass-on to consumers	221
4.3.4.	No elimination of competition	221
4.4.	Examples	222
5.	COMMERCIALISATION AGREEMENTS	228
5.1.	Introduction	228
5.2.	Assessment under Article 101(1)	230
5.2.1.	Main competition concerns	230
5.2.2.	Restrictions of competition by object	230
5.2.3.	Restrictive effects on competition	231
5.2.3.1.	Collusive outcome	232
5.2.3.2.	Cooperation that generally does not raise concerns	233
5.3.	Assessment under Article 101(3)	233
5.3.1.	Efficiency gains	233
5.3.2.	Indispensability	234
5.3.3.	Pass-on to consumers	234
5.3.4.	No elimination of competition	235
5.4.	Bidding consortia	235
5.5.	Examples	239
6.	INFORMATION EXCHANGE	244
6.1.	Introduction	244
6.2.	Assessment under Article 101(1)	247
6.2.1.	Introduction	247
6.2.2.	Main competition concerns arising from the exchange of commercially sensitive information	248
6.2.2.1.	Collusive outcome	248
6.2.2.2.	Anti-competitive foreclosure	250

6.2.3.	The nature of the information exchanged	251
6.2.3.1.	Commercially sensitive information	251
6.2.3.2.	Aggregated versus individualised information	253
6.2.3.3.	The age of the information	254
6.2.4.	The characteristics of the exchange of commercially sensitive information	255
6.2.4.1.	Unilateral disclosure	255
6.2.4.2.	Indirect information exchange	258
6.2.4.3.	Frequency of the exchange of commercially sensitive information	260
6.2.4.4.	Measures to reduce the risk of competition law infringements	261
6.2.5.	Market characteristics	263
6.2.6.	Restriction of competition by object	264
6.2.7.	Restriction of competition by effect	267
6.3.	Assessment under Article 101(3)	269
6.3.1.	Efficiency gains	269
6.3.2.	Indispensability	270
6.3.3.	Pass-on to consumers	270
6.3.4.	No elimination of competition	270
6.4.	Examples, self-assessment steps and table giving guidance on liability in different settings	271
7.	STANDARDISATION AGREEMENTS	278
7.1.	Introduction	278
7.2.	Relevant markets	278
7.3.	Assessment under Article 101(1)	279
7.3.1.	Main competition concerns	279
7.3.2.	Restrictions of competition by object	281
7.3.3.	Restrictive effects on competition	282
7.3.3.1.	Agreements which generally do not restrict competition	282
7.3.3.2.	Effects-based assessment of standardisation agreements	286
7.4.	Assessment under Article 101(3)	289
7.4.1.	Efficiency gains	289
7.4.2.	Indispensability	290
7.4.3.	Pass-on to consumers	292
7.4.4.	No elimination of competition	292
7.5.	Examples	292

8. STANDARD TERMS	294
8.1. Definitions	294
8.2. Relevant markets	295
8.3. Assessment under Article 101(1)	295
8.3.1. Main competition concerns	295
8.3.2. Restriction of competition by object	296
8.3.3. Restrictive effects on competition	296
8.4. Assessment under Article 101(3)	298
8.4.1. Efficiencies	298
8.4.2. Indispensability	298
8.4.3. Pass-on to consumers	298
8.4.4. No elimination of competition	298
8.5. Examples	299
9. SUSTAINABILITY AGREEMENTS	301
9.1. Introduction	301
9.2. Sustainability agreements that are unlikely to raise competition concerns	304
9.3. Assessment of sustainability agreements under Article 101(1)	305
9.3.1. General principles	305
9.3.2. Sustainability standardisation agreements	306
9.3.2.1. Definition and characteristics	306
9.3.2.2. Main competition concerns	308
9.3.2.3. Restriction of competition by object	308
9.3.2.4. Restrictive effects on competition	308
9.4. Assessment of sustainability agreements under Article 101(3)	311
9.4.1. Efficiency gains	311
9.4.2. Indispensability	312
9.4.3. Pass-on to consumers	314
9.4.3.1. Individual use value benefits	315
9.4.3.2. Individual non-use value benefits	316
9.4.3.3. Collective benefits	317
9.4.3.4. Any or all types of benefits	319
9.4.4. No elimination of competition	320
9.5. Involvement of public authorities	320
9.6. Examples	321
