A Letter From Our Founders

A MESSAGE FROM ROSS AND ANDREW

Dear Friends of Your Golf Travel,

As we step into the new year, we're thrilled to share with you our latest golf travel brochure, a labour of love and passion from our team at Your Golf Travel. Each page of this brochure is infused with the same enthusiasm for golf that drives you, our fellow golfers, and us.

And what a year it's been to be a golf fan - especially a European one! From Rory taking home the Race to Dubai again to Rahmbo picking up the Green Jacket, Luke Donald and his men doing the business for Team Europe in Rome and our new ambassador Captain Suzann Pettersen lifting the Solheim Cup in Spain, which in 2024 moves to US Robert Trent Jones Golf Club in Virginia, US.

We're delighted to have Suzann, a two-time Major winner, join Team YGT. What a stamp of approval it is for our Solheim Cup packages to have the current European Captain involved in all our trips! But she's not the only famous new face we added to our ranks as official ambassadors this year.

We added 2016 Masters champion Danny Willett as well as the man who scored the winning point in the 2014 Ryder Cup in Jamie Donaldson. We also welcomed back with open (!) arms Open and Senior Open champion Darren Clarke ("just tell them Darren sent you!"). That's all in addition to our long-time friend Lee Westwood, one of England's most decorated golfers, who has won 44 tournaments in 20 different countries over four decades across five continents. A feat that will be hard to achieve again.

It means the world to us at YGT to have the support and expertise of some of the most successful golfers and partners in the modern era, but it's our team of golf travel experts that our customers speak to on a day-to-day basis that we're most proud of. Their high levels of professionalism have been endorsed by our partnership with England Golf where we sponsor the UK-wide "Race to Woodhall Spa" tournament and support Respect in Golf and other key industry initiatives.

Across 2023, our in-house team of over 200 travel experts sent hundreds of thousands of golfers to 26 countries around the world, to play some 4,000+ destinations. Our expertise and history in the golf travel industry is unmatched and you can guarantee that when we say we've 'been there, played that', it's 100% true.

And it's this combination of in-house knowledge and outside expertise from our ambassadors that truly make this year's brochure 'The Expert Edition'. We ourselves have played golf in over 20 countries this year with our final expeditions being slightly 'out of bounds' to Kenya, the Fairmont Royal Palm in Marrakech, Morocco and Costa Navarino, Greece.

But the real champions of Team YGT are, of course, you - the golfers who share our love for the game and the adventures it brings. Your passion for exploring new places and creating unforgettable memories and experiences on and off the course is what truly drives us. Every story you share, every new course you discover, and every friendship you strengthen through these journeys makes what we do worthwhile.

As we embark on another year of golfing adventures, we're excited to see where your passion for the game will take you next. Together, we'll continue to explore the world's greatest golf destinations and create memories that will last a lifetime.

All the best for 2024, we look forward to seeing you out on the fairways.

R. Marshall.

Your Golf Travel's Dream Team

Where Champions Shape your Golfing Adventures

What does a Solheim Cup captain, a former world number one, a Masters winner, the scorer of the winning point in the Ryder Cup and an Open (and Senior Open) champion have in common?

Well, not only are they some of the most highly decorated golfers ever, who have played countless events at just about every golf course worth its salt on the planet and all understand what it means to have a well organised, seamless and memorable golf travel experience... they're also all official ambassadors of Your Golf Travel?

We're proud to be working with Suzann Pettersen, Danny Willett, Darren Clarke, Lee Westwood and Jamie Donaldson as we aim to provide the highest quality of service to our customers.

We know that most of our customers aren't professional golfers. But if we can put travel packages together that would impress our ambassadors, we know for sure it'll impress you.

So, without further ado, let's find out more about our ambassadors' work here at YGT...

FINCA CORTESIN

Suzann Pettersen

- 2-Time Major Winner
- 2023/24 Solheim Cup Captain
- 21 Professional Wins

Our partnership with Suzann not only elevates the standard of our offerings at Your Golf Travel but also aligns with our vision to inspire and support women's golf. Suzann, a trailblazer in women's golf, embodies the spirit of innovation and excellence we strive to promote. Her remarkable journey, from being a world-class player to a successful Solheim Cup captain, serves as an inspiration to our customers, especially women golfers who aspire to reach new heights in their game.

Suzann's expert recommendations for 2024

include **Finca Cortesin** in Spain and **Lofoten Links** in her home country of Norway.

Suzann's goals with Your Golf Travel:

- ✓ Get more women playing golf
- ✓ Bring more fans to experience the thrills of The Solheim Cup
- ✓ Meet as many Solheim Cup visitors as possible

Danny Willett

- 2016 Masters Champion
- 8 Professional Wins

That's right, we've got the owner of a Green Jacket on our books. Danny's the natural choice to be the face of our Masters tournament packages, which bring hundreds of lucky golfers to the holy grail of golf in Augusta every year for the ultimate bucket list experience.

Not only is he at Augusta to meet our guests and take part in exclusive VIP events, he also personally calls our attendees before they head out to the US for the tournament. And he hosts his own Your Golf Travel golf days in the UK with our customers!

Danny's recommendations for 2024 include **The K Club** in Dublin, **Regnum Carya Golf & Spa** in Belek, Turkey, and his home clubs of **Lindrick and Rotherham** for those on a UK Tour.

Danny's goals with Your Golf Travel:

- ☑ Encourage more golfers to experience US golf
- ☑ Lift the lid on the authentic Masters experience

Darren Clarke

- 2011 Open Champion
- 2022 Senior Open Champion
- 2016 Ryder Cup captain

Just tell them Darren sent you! We're thrilled to be working once more with Darren Clarke, the 2011 Open Champion and 2022 Senior Open Champion. With a professional career stretching back to 1990 and including 27 wins and numerous record-breaking feats, Darren's an invaluable asset to our team.

His expertise on golf around the world is difficult to match, but it's golf in the UK and Ireland that really gets his juices flowing. It's only right that Darren should be the face of our Open Championship tournament packages, playing a key role in delivering exceptional hospitality and meet-and-greet experiences throughout the year.

Darren's recommendations for 2024 are tours to his home club **Royal Portrush**, as well as **Royal St Georges** in Kent and **Gleneagles** in Perthshire where he won his Open and Senior Open respectively, plus the **Abaco Club** in the Bahamas.

Darren's Goals with Your Golf Travel:

- ☑ Encourage more golfers to play in Ireland
- ☑ Share a pint of Guinness with the punters at The Open

Lee Westwood

- 44 Professional Wins
- Former world number one
- 8th on European Tour all-time wins list

Now to our Chief Holiday Officer. Lee is one of the most well-travelled golfers in the world, having won across five continents and 20 countries - so who's better placed to influence our golf travel experiences than him? Now, as he competes on the LIV Tour with the Majesticks, Lee continues to offer unique insights from his extensive international tournament experience - including his three Race to Dubai victories, as well as in-person events such as his Your Golf Travel golf days.

Lee's recommendations for 2024 include **Valderrama** in Spain, **Quinta do Lago** in Portugal and **Jumeirah Golf Estates** and **Emirates Golf Club** in Dubai.

Lee's goals with Your Golf Travel:

- ☑ Encourage more golfers to experience golf in the UAE
- ☑ Encourage golfers to tick off as many countries as possible

Jamie Donaldson

- 8 Professional Wins
- Secured the winning point in the 2014 Ryder Cup

Not many people can say that they hit the shot that won the Ryder Cup. And we just happen to have one member of that exclusive club as our ambassador. Jamie's professional career stretches back to 2000, since which time he's won 8 times professionally and reached a high of 23 in the world. Now, as he continues to play on the DP World Tour, he's dedicated to helping us share the joys of the Ryder Cup - that he knows too well - with our customers. Jamie will be alongside our guests in 2025 at Bethpage Black, cheering the European team on to an historic victory... we hope!

Jamie's recommendations for 2024 include **Abu Dhabi Golf Club** and **Yas Links**, his beloved **Gleneagles Hotel** and **Royal Porthcawl**.

Jamie's goals with Your Golf Travel:

- ✓ Bring the experience of playing a Ryder Cup to Your Golf Travel guests
- ✓ Encourage more golfers to play in Wales
