### Select x Founders Series Golf Day Sunningdale Golf Club

The inaugural Select Golf Day took place at Sunningdale Golf Club on Tuesday, 4th June. It is always a privilege and pleasure to be able to visit and play at such a fantastic golf club and it was great to have so many of the Select members there, along with Albatross Club members and guests.

The 36 hole day was played across the New Course in the morning and the Old Course in the afternoon. The winning pair secured their place at the Founders Series Final 2024 in Costa Navarino this October.

We are already looking forward to Sunningdale next year and to our future events this summer and autumn.

### *Spend 5 x nights at The Lodge at Royal Malewane - The Royal Suite*

Today, you will have a private charter in a PC12 to Royal Malewane's Airstrip.

On arrival at the Thornybush airstrip, you will be met by Royal Malewane staff who will transfer you to the lodge in an open game viewing vehicle - about a 45 minute game drive away. Check in at The Lodge at Royal Malewane.

The most qualified guiding team in Africa delivers an unrivalled wildlife experience with conservation at the centre. The Royal Suite at Royal Malewane comes with a private vehicle, guide, butler and chef – therefore timings for all activities and meals can be discussed with the ranger on arrival or even each day so as to make your stay perfect for you.

## DAY 3 Game Drive

Each day, you'll head out on a morning game drive, returning to the lodge for breakfast. Game drives form the basic rhythm of the day on safari. You'll find that to be out in the fresh air as the sun rises and sets is to be realigned with a pattern of deep and ancient significance.

The Kruger National Park is the largest game reserve in South Africa and one of the world's biggest wildlife sanctuaries. Approximately the same size as Israel or Wales, it covers some 19,485 square kilometres offering a rich diversity of ecosystems that support over 145 mammal species including Lions, Leopards, Buffalos, Elephants and Black Rhinos that make up Africa's Big 5 and over 500 bird species.

## DAY 4 Explore Malewane

Fancy a day at the spa?

The waters of Royal Malewane Bush Spa is an award-winning spa in the heart of the African Bush, in complete harmony with its natural surroundings.

Completely surrounded by the African Bush, the Waters of Royal Malewane Bush Spa is a veritable oasis and an ultimate refuge for those seeking to refresh and restore the mind, body and spirit. The Waters of Royal Malewane Bush Spa philosophy draws on the healing powers of water. Treatments make use of mineral-rich water, filtered through limestone and granite, and sourced from an underground stream that flows through the reserve.

## DAY 5 Explore Malewane

A classic and traditional bush style lodge, Malewane Lodge at Royal Malewane was the original Biden family holiday home, converted to become the first luxury lodge in The Royal Portfolio collection. Brimming with old world elegance, it was designed and decorated to be an elegant refuge in the heart of the bush. Spacious private decks complete with crystal clear pools allow you to make the most of the surrounding wild beauty and enjoy the warmth of the sunshine. The best safari moments are not as predictable as the dawn and dusk of day... like the surprise presence of elephants at your private plunge pool, paying you a gentle visit.

## DAY 6 Birding Safari

Some birds have migration routes that take them thousands of miles across the ocean, others live as long as we do, and almost all of them put on perfect performances to impress their mates.

There are over 300 different bird species at Royal Malewane, from the minute grey penduline tit to the immense lappet-faced vulture, and there are all manner of weird, wonderful and colourful feathered creatures in between. Immersing yourself in this fascinating world is a rich and rewarding wildlife experience.

## DAY 7 Depart Royal Malewane

After your morning game drive and breakfast at the lodge, you will be transferred through to the Thornybush airstrip in time for your private charter flight back to Johannesburg.

On arrival back in Johannesburg, you can relax at the Federal Air Terminal lounge until it is time to be taken across to the main terminal building at the airport to check in for your flight home. Federal Air provide transport across to the main terminal building when you are ready to go.
