MAURITIUS

You would be hard pressed to find a better golf-holiday destination than Mauritius. The beautiful island can only be described as paradise, surrounded by the breathtaking Indian Ocean and littered with premium golfing venues which are as unique as they are extraordinary.

The golf courses which grace Mauritius' incredible landscape offer some of the most dramatic holes you're likely to play. Whether it's playing against the volcanic backdrop at Heritage Awali Golf & Spa Resort or testing yourself at Anahita's Ernie Els layout, you can be sure that every moment spent in Mauritius will take your breath away.

To match the impeccable courses, the island also boasts exquisite 5* hotels and resorts like Constance Belle Mare Plage and Heritage Le Telfair which allow you to live like a king. Stay in lavish suites with private

terraces which open up onto the beach or enjoy cocktails and fine dining at Constance Prince Maurice's floating restaurant.

Away from the fairways, you have to spend time at the picture-perfect beaches which are regarded as some of the most stunning on the planet. Stay at Paradis Beachcomber Golf Resort & Spa if you're looking to relax and take in the beaming sunshine as well as experience a range of watersport activities for an adrenaline-fuelled day amongst the waves.

Put simply, a golf holiday to Mauritius is a must for every golfer and our proud new relationship with Air Mauritius will help you experience your #dreamgolffoliday in comfort and luxury while also offering FREE golf club carriage!
