TESTIMONIALS

"I recently booked a coaching trip for myself and some of my members. I contacted my YGT agent for some recommendations and quotes. From start to finish they were very helpful and professional. The whole process was extremely easy and I would highly recommend using them."

These guys are experts in their field, why wouldn't you use them?"

Andrew Hurley
Head Professional
Letchworth Golf Club

"The trip was fantastic! From collection and return to the hotel being easy and a first class service, to the hotel Almenara, my group couldn't have been happier! The hotel was excellent, clean big rooms and great service. Food was great, if a little pricey, but you're in Sotogrande so you kind of expect it but the food was of a high quality. The pro shop were very helpful. The practice facilities were great and we had our own grass area we hit from."

Courses were enjoyable, if a little tough for my group at times, but in excellent condition. I will gather feedback from the group but I don't think I will have trouble filling spaces for another group of that size going there."

Duncan Woolger
World of Golf Master Teaching Professional
England Golf Regional Coach
Advanced PGA Member
Plane Truth Level 3 Coach

"It was so easy to create this ideal winter income stream, and the best part of it was being able to build stronger relationships with members and customers. The Your Golf Travel support team made me confident to start this new opportunity."

Andrew Richardson
Blackpool North Shore G.C

"I went to Penina with my club pro and some of my fellow members and we had a great time. It was so nice to get some one to one tuition away from the club, the facilities were great and I really enjoyed being away with the guys."

The trip was great value for money and we are all keen to do it again."

Mark Johnson
Club member, Blackpool North Shore G.C

Everything YGT travel organised has been great. Hotel is an excellent facility. The staff in the hotel were excellent & nothing was too much trouble even allowing 2 of my group who were very sick on the day of checkout to keep their rooms past 12 noon. The Golf club staff were also excellent & I was refunded for my buggy fees at Anfi Tauro which was a nice touch"
