

## Your Golf Travel scoops Best Golf Tour Operator at World Golf Awards

LONDON, 24 November 2014 - London based golf travel company Your Golf Travel has claimed the title of England's Best Outbound Golf Tour Operator at the recent World Golf Awards.

Taking place at Conrad Algarve, the awards recognised some of the industry's best golf destinations, resorts and travel companies.

With more than 200,000 golfers travelling to over 3,500 destinations annually with Your Golf Travel, this acknowledgement caps a record breaking year for YGT.

Andrew Smith, Director of Product at Your Golf Travel, said: "We're thrilled to receive this award alongside some of the world's very best golf destinations".

Other golf destinations claiming awards include Sawgrass Marriott Golf Resort and Spa, which received the World's Best Golf Hotel, and Quinta do Lago's South Course, which took the prize as Portugal's Best Golf Course.

The award is the second received by Your Golf Travel in November following its recognition as Best Golf Tour Operator by the Moroccan National Tourist Office.

It caps a busy few months for the company following its recent appointment of Andrew "Chubby" Chandler to the Your Golf Travel Board as a non-executive director, as well as the signing of nine-time Ryder Cup player Lee Westwood as brand ambassador.
