Golfers looking to get their hands on this exclusive whisky should visit www.yourgolftravel.com and simply book their break for 6 or more golfers. With a choice of over 3,500 destinations across the globe, whether it be a break to YGT's coldest resort (snow covered Crans-Sur-Sierre in Switzerland) or its hottest (Sun City in South Africa), there is something to suit all tastes and budgets.

2014 has been a record breaking year for Your Golf Travel, with golfers going on longer and further flung golf holidays than ever before. During the course of the year, YGT has given away limited edition Darren Clarke Polo Shirts, Golf Travel Bags as well as thousands of Srixon Golf Balls and now, to keep you going on the fairways over the winter months, it's time for the Winter Warmer.
