ABOUT UPSTREET

Upstreet facilitates a share reward program between companies and their customers. When a customer makes a purchase, they earn fractional shares in either the company where they made the purchase or an exchange traded fund.

Customers can make a purchase through Upstreet's free app or online using a computer. The Upstreet app is available on the App Store and Google Play. With the app you can make a purchase with Uggs.com.au and with other companies and also easily view your portfolio of fractional shares. When making a purchase online on your computer, simply download Upstreet's Chrome Extension.

Earn shares in BetaShares Australian Sustainability Leaders ETF

Eligible participants in this Reward Offer will receive a rebate on purchases made with Superdry applied towards fractional shares in BetaShares Australian Sustainability Leaders ETF, listed on the ASX under the ticker code "FAIR".

The Sustainability Investment Option holds securities in BetaShares Australian Sustainability Leaders ETF (which means you will hold a fractional interest in the underlying securities).
