

# THE SERC Dispatch

CHICAGO, ILLINOIS

THURS. APRIL 12

COME TO SERC!

I could actually vent about what I thought was actually missing from upstairs & allow myself space to hurt about what was re-traumatized through the panels. They were necessary but they were painful. SERC helped me to connect to people who let me have that feeling.

## SERC BEGINS

COME TO THE SERC if you want to relax

- JEREMY - OAKLAND -

RANDOLPH 2 - DAY 1 OF THE EQUITY SUMMIT OPENED WITH A RUSH FOR BREAKFAST + COFFEE, FOLLOWED BY A PLENARY. ORGANIZERS OF THE SERC WERE UP EARLY, LOADING TAIKO DRUMS INTO THE VENUE AND PREPARING FOR UP TO 4,000 PEOPLE.

Radical Love

IN THIS SPACE, I HAD THE FREEDOM TO BE ABLE TO RESPOND + EXPRESS YOURSELF ABOUT THIS WHOLE CONFERENCE IN A SPACE WITH FREEDOM & FLUIDITY - RATHER THAN IN A PANEL OR THE APP - FOR ALL OF THAT TO COME OUT IN A COMFORTABLE & SAFE WAY

I think this whole summit is focused on ~~not~~ DOING

SERC allowed me to do whatever you want, take the time I needed & was welcoming. People read my body language - if I wanted to talk or not - and met me where I was at.

I'm at a loss for words... it's been AMAZING I love the energy + CREATIVITY. I loved the connection between the BORDER WALL & GENDER BINARY made at the PLATTING DISCUSSION about THE SOCIAL EMERGENCY & the South.
