Dear Musician,

PianoUP that would like to provide you with a special gift! PianoUP.com is software for individualized learning of Piano technical exercises such as scales, chords, and arpeggios. PianoUP is powered by **Artificial Intelligence** and suitable for *absolute beginners* to *advanced* students. It provides 35,000 exercises with **immediate feedback** and **individualized practice**. The curriculum is aligned with major testing agencies. Even if you play a different instrument it is always wonderful to pick up the piano.

To start using the gift, you will need to:

- Go to https://pianoup.com, register an account.
- Apply **PulsarMusic10USD** coupon code, to receive $10 off of the Premium plan in addition to your trial. If you live in Canada, please use **PulsarMusic10CAD** coupon code and choose payment in Canadian dollars at the checkout. The coupon is applicable for the first-time users only.

Hope you will enjoy our product!

Let us know if you have any questions, thoughts, or suggestions by sending us an email at support@pianoup.com

Kind regards,
PianoUP team
