

Dear Kayler Chu Yuhan,

Congratulations! We are delighted to inform you that you are awarded **Second Place** at the Royal Sound Composition Competition, Junior Category, 11 - 12 years old, General (Less competitive) difficulty level, for A Fine Day.

Here are the comments from our judges:

Wonderful job on your composition! Very interesting piece, with a clear structure and a delightful blend of instrumental timbres. I particularly enjoyed how the theme seamlessly moved from one instrument to another, to create a diverse and colorful texture. To further enhance your composition, I encourage you to explore the distinct features and strengths of each instrument. Consider the specific registers and techniques that make each instrument shine the most. You can make the overall texture even more vibrant and colorful, when you know these benefits each instrument can add to the musical texture. You're off to a great start, and I'm excited to see how you continue to develop your composition skills. Thank you for sharing your music with us! It's been a pleasure to experience your creative work!
