NEW YEAR, NEW CULTURE

- The Boilermakers are **ALL-IN** this season under head coach Katie Gearlds. Gearlds, who took over the program a mere 47 days prior last year, had a full offseason to establish a new culture and bring back elite expectations to this storied program.
- On top of spending the full offseason implementing an overhaul of the offense and defensive principles (rather than adjusting on the fly last year), the squad spent the summer building a culture centered on leadership and excellence on and off the court.
- Prior to the first practice of the year, the coaching staff asked the team for goals. The primary goal was taking the next step for the program and return it to the NCAA Tournament.

SINGLE-SEASON TURNAROUND

- Katie Gearlds guided Purdue to 17 wins this season after inheriting a squad that won just seven contests in 2020-21 47 days ahead of the year.
- The 10-win improvement is the most by a first-year head coach in program history and tied for the third best overall.
