

## **Purdue Sports Performance Internship Details**

### **Responsibilities:**

Set up and break down of equipment for each session.

Facility cleaning/maintenance.

Assist within session to help spot athletes, record data, etc.

Participation in weekly article review sessions, staff presentations and exercise proficiency test-outs; completion of hourly logs and journal entries and reports on all educational presentations.

Participation in intern workouts whether in a group or individually is expected.

Applicants should be aware of the possibility of long days (12 hours or more is not uncommon at times) and early morning sessions (that can begin at 5:30 or 6:00am). Applicants should be able to lift and carry 50-80 pounds frequently and up to 100+ pounds occasionally.

### **Requirements:**

All applicants must be an undergraduate or graduate student seeking an unpaid internship experience in exchange for college or class credit. NO unpaid internships can be offered to “volunteers.”

### **Application Process:**

Please see the dates and deadlines below for the upcoming semesters. All interested applicants must send a resume, cover letter, and at least 2 letters of recommendation to Coach Specos at [cspecos@purdue.edu](mailto:cspecos@purdue.edu). Once reviewed, you will be contacted to participate on an online interview (Skype or FaceTime). Once a decision is made, accepted applicants will be sent an offer letter stating the conditions of the summer internship, which must be signed and returned promptly. Any paperwork required from the applicant's university will be directed to Coach Specos and will be completed and returned.
