PURDUE VS. INDIANA

Beginning with the 1993-94 season, the Purdue and Indiana women's basketball teams have played an annual game for the Barn Burner Trophy.

The travelling trophy, funded by the Sara Lee Corporation as part of its Discover Women's Sports program, is similar in concept to football's Old Oaken Bucket, volleyball's Monon Spike and women's soccer's Golden Boot. The winner of the wood plaque is responsible for bringing it back to its campus and adding a panel to denote its victory, detailing the score and the Most Valuable Player.

Purdue won the first Barn Burner game on March 2, 1994, and has won 18 of the 29 contests. The Boilermakers' all-time series with the Hoosiers dates to Jan. 28, 1976, when Indiana beat Purdue 80-44 in Bloomington.

Since 2001-02, the two schools have conducted an all-sports competition. It originally was known as the Titan Series until the fall of 2004, when it was renamed the Crimson & Gold Cup. It then became the Indiana National Guard Governor's Cup in the fall of 2013. The results of meetings between every varsity sport in which both schools compete figure in the final tally, with the winner of each event earning one point. In sports that feature two meetings in one season, the winner is awarded half a point for a victory. Indiana won the inaugural trophy by a score of 10-9. Purdue has won the trophy seven times, including three straight from 2014-to-2016, tied twice, and Indiana has claimed outright victory nine times.

Women's soccer's Golden Boot is the newest rivalry trophy between the two schools and since its inception in 1999, Purdue has claimed the four rivalry trophies on six occasions (2000-01, 2003-04, 2004-05, 2005-06, 2006-07, 2009-10). Indiana has never accomplished the feat.
