BOILERS BEGIN SIX-GAME HOMESTAND WITH THREE-GAME WEEK

• After being idle on Sunday, the only Sunday of the regular season in which Purdue is not scheduled to play, the Boilermakers open a six-game homestand this week with three games in five days. Purdue will take the pitch three times in the span of approximately 90 hours, easily the busiest week of the year.

• The six-game homestand will be the third longest in program history. The Boilers played eight consecutive games at home last season from Sept. 2-25 but posted just a 2-4-2 record during that stretch. Four of the eight games went to overtime, including losses to USC and Kansas on consecutive Sundays.

• Purdue has otherwise excelled in homestands of four games and longer over the years. The Boilermakers have had a homestand of at least four games in eight of the last nine seasons, compiling a combined 24-7-5 record in those consecutive games at the Varsity Soccer Complex.

2012	6	TBD
2009	5	3-1-1

WILD NIGHT AT LOUISVILLE ENDS IN OVERTIME LOSS

• In a wild game that featured seven goals, a power outage and two brief delays due to darkness, Louisville scored in the 102nd minute of double overtime to defeat Purdue, 4-3, Aug. 24.

• The game marked only the second time in program history the Boilers have scored three goals in a loss. A September 2002 overtime win at Oakland (4-3) and an October 1999 loss to Iowa (6-3) represent the two previous games in program history that saw both teams score at least three goals. The Boilermakers have now been involved in a game that has featured seven-plus goals 16 times, compiling a 10-6 record in those games.

• Louisville opened the scoring in the fifth minute and tallied a late equalizer in the 86th minute. Purdue held the lead for 22 minutes on the night but could not make **Chinyelu Asher's** late goal in the 83rd minute, which broke a 2-2 tie, holdup.

TWO GOALS IN SCHOOL-RECORD TIME ON BACK-TO-BACK FRIDAYS

• Four of Purdue's first six goals this season were scored in a grand total of 93 seconds of actual game action. That's because on consecutive Fridays, the Boilers scored twice in less than a minute. In her Aug. 24 return to Louisville, where she played in 2010 and 2011 before transferring to Purdue, **Jordan Pawlik** scored twice in a span of 45 seconds in the first half to help the Boilers overcome an early 1-0 deficit. **Hadley Stuart** helped setup both goals. The 45 seconds elapsed represents the smallest amount of time between goals in program history.

• A week earlier, **Alex Hairston** and Stuart scored 48 seconds apart in the second half to help Purdue defeat Toledo in shutout fashion in a season opener for the second year in a row. Coincidentally, Pawlik assisted on both scores.

• The previous program record for the smallest amount of time between two goals both scored by Purdue was 55 seconds. Shauna Stapleton and current assistant coach Parrissa Eyorokon scored back-to-back in a November 2007 blowout win against Indiana.

• Pawlik and Stuart represent the only active Boilers with a multi-goal and a multi-assist effort on their college résumés. Pawlik has accomplished the feat in only three games at Purdue.

HAIRSTON'S GOLDEN GOAL LIFTS PURDUE TO FIRST OVERTIME WIN SINCE 2009

• **Alex Hairston** scored in the 106th minute of double overtime to propel Purdue to an overtime win against Eastern Illinois Aug. 22. It was the Boilers' first overtime win since November 2009, the regular-season finale against Iowa. Purdue had gone 0-4-4 in its eight games longer than 90 minutes since. All eight overtime affairs had been at home.

• An own goal was the difference in Purdue's last overtime win. Sylvia Forbes' golden goal four days earlier in an overtime victory at Indiana was the last of its kind credited to a Purdue player.

GAME-WINNING GOALS IN BACK-TO-BACK SEASON OPENERS & FIRST TWO GAMES

• With five game-winners among her team-high eight career goals, **Alex Hairston** has had made the most of her scores. She accounted for the game-winning goal in both games of the season-opening weekend. This marks the second year in a row she has recorded the first two game-winners of a season.

• Hairston is the first player in program history to account for a game-winning goal in back-to-back season openers. She's also the first player to score in the first game of consecutive seasons since Annette Kent scored in four straight from 2000-03.

• Jessica Okoroafo was the last Boiler to score the game-winning goal in each of the first two games of the season, accomplishing the feat in 2009. Hairston joined Okoroafo as the only players in program history to account for the first two game-winning goals of a season twice in a career. But since Okoroafo did it as a freshman (2005) and senior (2009), Hairston is the first Boiler to score the first two game-winners of a season in consecutive years.

INSTANT IMPACT FROM LANCASTER & PAWLIK

• Newcomers **Emma Lancaster** (a true freshman) and **Jordan Pawlik** (a junior transfer from Louisville) both started the first two games of the new season. Both players also finished the season-opening weekend with two assists. Lancaster helped setup each of **Alex Hairston's** goals and both scores proved to be game-winners. Pawlik, meanwhile, assisted on the goals scored by Hairston and **Hadley Stuart** a program-record 48 seconds apart against Toledo. Pawlik joined **Mollie Kuramoto** and **Jordan Frick** as active Boilers with a multi-assist game during their careers.

• **Kim Love**, **Melissa Casella**, **Makaela Nellams** and **Nicole Hively** also made their Purdue debuts during the season-opening weekend. Love went the distance at center back in both games. Hively saw her first action after redshirting in 2011 with a foot injury.

WARREN, FRICK & STUART AMONG BIG TEN PLAYERS TO WATCH

- Team captain **Jessica Warren** and fellow upperclassmen **Jordan Frick** and **Hadley Stuart** should prove critical to Purdue women's soccer's success in 2012 as indicated by their selections among the Big Ten Players to Watch as the new season begins.
- Warren was selected as team captain in the spring. She has played in 48 consecutive games and 59 of the 61 the last three seasons. This year she'll have an opportunity of adding her name to the list of Boilers that have scored a goal in each of their four years. Warren went the distance in 10 of the 12 games in which she started at center back last season. She could return to a midfield position this year but her versatility to play in either part of the field should be beneficial.
- Frick was one of three returning Boilers to start all 20 games in 2011. She and classmate **Mollie Kuramoto**, who will miss this season due to injury, demonstrated the highest level of consistency among the sophomore field players a year ago. The suburban St. Louis native ranked second on the team in minutes played last season while serving as an outside back and corner kick specialist. She helped setup four goals and scored for the first time as Boiler.
- The first week of October will mark the two-year anniversary of Stuart suffering a torn ACL in a Purdue loss at Minnesota. After missing the final month of her freshman year, she was able to return for the entirety of the 2011 campaign, scoring three goals while primarily coming off the bench. Now fully recovered from her knee injury, Stuart could enjoy a breakout season in an attacking role this season. She had three goals in the Boilers' two organized team scrimmages this month.

NELLAMS' HAT TRICK HIGHLIGHTS PURDUE'S PRESEASON SCRIMMAGES

- Freshman **Makaela Nellams** recorded a hat trick, scoring each of her three goals in the second period and carrying the Yellow Team to a 5-4 victory in Purdue soccer's second scrimmage of the preseason Aug. 12.
- **Hadley Stuart** scored twice for the Red Team, opening the scoring with a goal in the first minute on a nice rising blast into the top 90 on the left side of the net. **Alex Hairston** (Red), **Taylor Niewoit** (Yellow) and **Jordan Pawlik** (Red) also registered goals on the night.
- Hairston, Stuart & Niewoit each scored a second-half goal for the Yellow Team in the first scrimmage Aug. 7.

HAIRSTON BACK AFTER STRONG FRESHMAN CAMPAIGN

- **Alex Hairston** started all 20 games, one of only four Boilers to do so in 2011, becoming the first freshman to start every game since 2008. She ranked second on the team with six goals and four assists. She accounted for the game-winning goal in the first two victories of the year: the season-opener at Toledo and the first home night game against Colorado. In the process, she became only the third freshman in program history to account for the team's first two game-winners.
- With her goals against Michigan State in the Big Ten opener and Iowa, Hairston joined Katie Leinert as the only players in program history to account for Purdue's first two goals of the conference season. She was also the sixth player in program history to score in her collegiate debut, as well as the fifth freshman to account for Purdue's first goal of a season.

KRIDLER BACK PROTECTING THE NET

- **Clara Kridler** returns for her junior season after starting all 20 games in goal in 2011, her first season as the starting goalkeeper. Purdue has not had the same 'keeper serve as the regular starter in back-to-back years since Jenny Bradfish from 2007-09. With senior **Yana Lyon** still in the mix and freshmen **Samantha Rosa** and **Caitlyn McCullough** on the roster as well, the Boilers have seen the size of their goalkeeper corps double from 2011 when it was just Kridler and Lyon.
- Last season Kridler became the first Purdue goalkeeper to start every game since 2008. With 92 saves, she ranked second in the Big Ten and finished only five shy of the program's single-season record. She helped Purdue shutout Toledo and Colorado in 1-0 Purdue wins and also played 70 minutes in the rainy shutout of Indiana State.

PAWLIK LOOKS TO MAKE IMPACT AS TRANSFER

- Fort Wayne native **Jordan Pawlik** transferred to Purdue at the start of the 2012 spring semester, practicing and playing with the team throughout the spring. She played her first two college seasons at Louisville, starting 35 of the 39 games in which she played.
- Pawlik Scored three goals and assisted on four others as a sophomore at Louisville in 2011. She started 19 of the 21 games while helping the Cardinals reach the NCAA Tournament. She accounted for Louisville's lone goal in an overtime home loss to Illinois and had two assists in an overtime win at Villanova.

PURDUE SOCCER 2011 SEASON REVIEW

- The 2011 season was a campaign that featured plenty of high points, but also its fair share of frustrations. Purdue battled until the end, but after winning back-to-back games only once all season missed out on qualifying for the eight-team Big Ten Tournament for the first time since 1999.
- High points from 2011 included: a season-opening win against a Toledo team that qualified for the NCAA Tournament, a 1-0 victory against Colorado in the first-ever night game at the Varsity Soccer Complex, an eighth straight win against Northwestern on a very windy night on the shores of Lake Michigan, a comeback win against Ohio State in the annual special uniforms game, a program-record eight goals in the rivalry win against Indiana and rebounding from a blowout loss at Wisconsin by defeating Minnesota in St. Paul for the first time since 2005.
- But Purdue also got shutout at home three times while only posting three defensive clean-sheet efforts of its own all season. The Boilermakers went to overtime four times over a stretch of seven games in September, but were unable to record a win in any of the extra-time affairs, losing heartbreakers to USC and Kansas on consecutive Sundays. After earning 10 standings points over the course of five games to get back in the Big Ten Tournament chase, the Boilers lost their home finale to a Michigan team they were tied with in the standings entering the day.
