## Head Coach Dave Shondell

Dave Shondell is entering his 13th year at the helm of the Purdue volleyball program after leading the team to eight NCAA Tournament berths in the last 10 years, including seven Sweet 16 appearances, and two Elite Eight appearances in 2010 and 2013. The Big Ten and Mid-east Region Coach of the Year in 2011, Shondell became the fourth head coach in the history of the Boilermaker program on Feb. 13, 2003.

The team's seven Sweet 16 berths in the last nine seasons makes the school one of 10 in the nation that can boast the accomplishment. Under Shondell, Purdue has defeated 45 ranked teams and finished among the upper half of the Big Ten 10 times, including 5 straight seasons and a second place finish in 2011, the team's best finish since 1987.

Coach Shondell is excited to invite you to

participate in the 2015 Purdue Volleyball Coaches Clinic. This will be an experience that allows each coach total access to Purdue Volleyball—the coaches, players, practice, matches and facilities. The clinic will begin on Friday afternoon, the 24th and concludes with the final spring competition as Purdue will play Indiana on Saturday, April 25th.

Coach Shondell's coaching experience is unique in that he has coached club, high school and college volleyball—working with ages from 10 to 23. Our staff believes this clinic will be productive for coaches at all levels of play. Please consider attending and spreading the word about this premier clinic at Purdue.

The clinic is affordable, but if any coaches cannot attend because of the cost, please contact us to make arrangements. We want all interested coaches to attend!

John Shondell

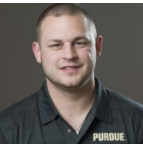

John is entering his 11th year as a part of the coaching staff at Purdue. John played for Ball State and was an All-American Setter.. "John is one of the best trainers in the sport of college volleyball and our players respond extremely well to him," head coach and brother Dave Shondell said. "He takes great pride in putting together practice plans to suit each player, and being creative in finding ways to make each player better. He also works very hard on scouting and preparation for matches. John has the ability to take a head coaching position at any time, but we are fortunate that he has made a commitment to stay here until we have achieved our ultimate goal."

Kathy Jewell

Kathy played volleyball for Northern Michigan where she lead her team to a D2 National Championship in 1994. "Kathy is extremely well organized and extremely driven to be successful," head coach Dave Shondell said. "She is a rock for John and I and has made a great impact on Purdue volleyball during the last nine years. She is a great liaison between our student-athletes and coaches and she takes control of this team in so many ways that people don't see. Without Kathy, there is no way that our program would be in the position that it is, ready to take the next step to become one of the premier programs in the country."

Travis Fuller

Travis spent the 2010 & 2011 seasons with the Boilermakers as a manager. After completing his degrees in Aviation Management and Organizational Leadership at Purdue, he became McCutcheon's Head Varsity Coach. Dave Shondell on Travis: "I am very pleased to announce that Travis will be rejoining our staff for the 2013 season as our volunteer coach. He brings great energy and a strong passion for the game to our staff."

Specos received a bachelor's degree in athletic training from West Chester University in 2002 and a master's in exercise science and health promotion from California University of Pennsylvania in 2007.
