- Director of operations Amie Anthrop is well-accustomed to the bright lights of Purdue. After an award-winning career as a guard at Southern Indiana, she married Jade Anthrop, brother to Dru (basketball), Danny (football) and Jackson (football).

THE MENTALIST

- Head coach Katie Gearlds connected with mindset performance coach Derick Grant to help develop the program's mental approach to the game.
- Grant, a world-renowned performance specialist, met with the team several times through the summer to help the players focus on embracing the process to become great.
- The Boilermakers also did a group-read through "Chop Wood, Carry Water: How to Fall in Love with the Process of Becoming Great" by Joshua Medcalf.

RECOVERY INVESTMENT

- Purdue partnered with Hyperice this offseason to provide its student-athletes with additional recovery products to use away from Mackey Arena.
- Prior to the team's departure for Europe, every Boilermaker on the team this year received a Normatec dynamic air compression boots, Hypervolt percussion massage gun, and Hypersphere vibrating massage tool for personal use.
- The investment will allow Boilermakers have access to cuttingedge technology from on an on-demand basis to meet the needs of their schedules.

P KATIE GEARLDS BIO

Purdue Athletics Hall of Fame inductee Katie Gearlds enters her fourth season as the head coach of the Purdue women's basketball team. Returning to her alma mater, the 2007 All-American was elevated to the head job on Sept 17, 2021, becoming the ninth coach in program history.

Three seasons back home at Purdue, Gearlds has begun the process to return Purdue Women's Basketball back to the national stage with three straight postseason appearances. She inked a contract extension in the summer of 2024 that will keep her home in West Lafayette through the 2028-29 season. Establishing a new culture, revamping recruiting and reconnecting with the alumnae and fan bases, Gearlds has the Boilermakers headed in the right direction.

Gearlds was inducted into the Leroy Keyes Purdue Athletics Hall of Fame in the fall of 2024.

PURDUE POSTSEASON BOUND

The Boilermakers have reached the postseason in each of Katie Gearlds' first threeseasons back in West Lafayette. Purdue returned to the NCAA Touranment for the first time since 2017 and the 27th time in program history during the 2022-23 campaign. Gearlds took the Boilermakers back to the postseason for the first time since 2018 in her first year, reaching the second round of the WNIT. The Boilermakers added their second WNIT appearance under Gearlds in 2023-24, as Purdue reached the Great 8 for its deepest postseason run in more than a decade.

ON THE RECRUITING TRAIL

Gearlds' first true signing class in November of 2022 was ranked No. 21 by ESPNW. The class of five added to its firepower when top-50 signee Amiyah Reynolds signed for Purdue in May of 2023, alongside her sister and former top-60 recruit Mila, a transfer from Maryland.

PRIOR TO PURDUE

Gearlds spent eight seasons taking Marian University to unparalleled success as its head coach, winning back-to-back NAIA National Championships in 2016 and 2017. She is the winningest coach in Marian history with a 228-50 record, an 82% clip.

A three-time NAIA National Coach of the Year, Gearlds guided the Knights to six straight Crossroads League regular-season titles, four league tournament championships and seven appearances in the NAIA Tournament.

With only five All-Americans in program history before her arrival, Gearlds mentored 12 All-America honorees, including 2021 WBCA NAIA National Player of the Year Imani Guy, as well as 28 All-Crossroads League selections.

Her teams averaged more than 70 points per game in all eight campaigns at Marian and over 75 points in four seasons. Defensively, the Knights kept opponents to 60 points per game or less in six of her eight years.

PROFESSIONAL EXPERIENCE

Prior to her jump into coaching, Gearlds spent three seasons in the WNBA with the Seattle Storm. She was taken with the seventh overall pick in the 2007 WNBA Draft, the highest selection ever from Purdue and the 10th top-10 pick in Big Ten history.

Over three campaigns with the Storm, Gearlds shot just under 40% from the field and 37.9% from distance. She also spent time playing professionally in Spain, Greece, Portugal and Slovakia.
