----- Quotes -----

**Ty Tucker - Head Coach Ohio State**

*On winning the championship*

I feel good, and everything is all right. We just want to beat whoever we play, it does not matter who it is. You have to beat the team they put in front of you, win each match and get a little bit better each time. Obviously, it is Michigan, so people say it is a little bit sweeter, but to be honest to be Big Ten Champions I will take it any way I can get it.

**Herkko Pollanen - Ohio State Senior**

*On winning his match and clinching for Ohio State*

This is pretty exciting, especially since it is my senior year ending like this. I am super excited.

**Herkko Pollanen - Ohio State Senior**

*On the tournament as a whole*

I think that everyone got progressively better, and that is usually what happens. You work hard and improve match to match.

**Adam Steinberg - Head Coach Michigan**

*On the match overall*

We came up against a great team. We got into it too late, and they out played us. Our guys fought, and I was really proud of them in the second sets they did not get down and they fought and fought and it was just a little too late.
