All media credentials and parking passes should be arranged by contacting (via mail, fax or e-mail) Mark Leddy in the Sports Information office. **Requests should be made on office letterhead or e-mailed at least one week in advance of an event.** All credentials for reporters and photographers are limited to professionals in the mass media and will be evaluated on a first-come, first-served basis with the following priority:

1. Local and metropolitan newspapers, wire services, television networks, national publications, opponent student and area news outlets.
2. Daily newspapers that regularly cover Purdue men's basketball.
3. Web sites affiliated with recognized and fully accredited local, state and national news organizations. However, credentials will not be granted to both a Web site and another medium of the same entity for the same game.
4. Other requests from television or radio stations and newspapers will be handled on a space-available basis, with preference given to those that regularly cover Purdue men's basketball.
5. Freelance reporters and photographers must be on assignment to receive credentials. Credentials must be visibly worn at all times.

Covering a Purdue Basketball Game

A media work room in Mackey Arena is available for all media members. The work room contains work space, phone lines, internet access and press materials, including stats, game notes and media guides. Phone lines will not be available on press row unless ordered in advance.

A media hospitality meal is served in the work room, courtesy of Purdue Sports Information.

Postgame press conferences take place adjacent to the media work room. All interviews, with the exception of opposing players, take place in the interview room. The postgame press conference order is determined prior to each game. Any additional one-on-one interviews with players should be arranged with the team's sports information director.

Midweek Interviews

Contact Mark Leddy in Sports Information to arrange interviews with head coach Matt Painter or Purdue players. Players will be available before practice throughout the week. **All interviews must be arranged at least one day in advance.** No interviews will be conducted with Purdue players on the day of a game.

Teleconferences will be held most Mondays and Thursdays during the season. For information on how to access the teleconferences, please contact Mark Leddy.

Practice Coverage

Purdue practices generally are closed to the media and public. If you wish to attend a practice, please contact Mark Leddy in advance, as some sessions will be open to the media.
