#### NEW YEAR, NEW CULTURE

- The Boilermakers are ALL-IN this season under head coach Katie Gearlds. Gearlds, who took over the program a mere 47 days prior last year, had a full offseason to establish a new culture and bring back elite expectations to this storied program.
- On top of spending the full offseason implementing an overhaul
  of the offense and defensive principles (rather than adjusting
  on the fly last year), the squad spent the summer building a
  comradery centered on leadership and excellence on and off
  the court.
- Prior to the first practice of the year, the coaching staff asked the team for goals. The primary goal was taking the next step for the program and return it to the NCAA Tournament.
