

PRINCIPAL FEATURES

Glass ceramic surface

Pan Detection zone

Timer

Flush-top installation

Touch Control

Booster

Residual heat sensor

Over-top installation

DESCRIPTION

The product features a 1 mm thick edge. This way, it can be flush-mounted or semi-flush-mounted on the kitchen's countertop. The stainless steel knobs make it easy to choose the cooking settings.

The hob features a safety system that includes an end-of-cooking beep and residual heat indicator (H). It also comes with a surface cleaning scraper.

FEATURES

Metal knob with stainless steel finish
Stainless steel finish
1 large cooking zone
Automatic heating
Digital power level indicator
Booster
