

PRINCIPAL FEATURES

Glass ceramic surface

Timer

Residual heat sensor

Flush-top installation

Pan Detection zone

Booster

Over-top installation

DESCRIPTION

This hob features a 1 mm thick edge. This way, it can be flush-mounted or semi-flush-mounted on the kitchen's countertop. The stainless steel knobs make it easy to choose the cooking settings. The hob features 2 independent cooking zones and a safety system that includes an end-of-cooking beep and residual heat indicator (H). It also comes with a surface cleaning scraper.

FEATURES

Metal knob with stainless steel finish
Stainless steel finish
2 independent cooking zones
