

PRINCIPAL FEATURES

10 Functions

Creative extended

Airfry

Automatic Cooking

Cool Touch Door

Thawing

True Convection

Microwave Cooking

DESCRIPTION

The control panel has different functions, including preset cooking functions and the possibility to modify the recipes. The defrosting time and power level are set automatically. You just have to select the program and the food weight. Frozen food must be placed on a ceramic plate at the centre of the turntable. The appliance comes with the following accessories: a round and a flat rack, a stainless steel tray (h = 20) and a glass plate.

FEATURES

- Black Glass finish
- 10 Combined functions
- AirFry (oven-frying) function
- Creative Extended controls
- Automatic Cooking
- Microwave with 6 power levels
- Cooking with assisted ventilation
- Combined cooking (microwave & grill)
- Defrosting
- 3-pane glass cool-touch door
