Description :

PDF-6284f | What is the difference between art anatomy and Bridgman's concept of the human machine? The human machine is the body as not only a fixed framework but also as a complex work of art which moves and was designed to move. In over 400 drawings, George B. Bridgman demonstrates the machine through the presentations which made him a gifted lecturer and teacher in his nearly fifty years at the Art Student... *The Human Machine (Dover Anatomy for Artists)*
