- (c) or the Advance Premium charged

This includes but is not limited to any changes to any information about the **Policyholder's** financial position, or convictions or charges for offences.

Where the change represents a change to any material information already provided, the Insurer reserves the right to accept or deny coverage at the time of notification and to establish a separate rate and Premium and, if appropriate, terms to provide coverage for any such change.

If the Policyholder does not notify the Insurer of changes as required by this clause, the Insurer shall have the remedies available to it under the law of Belgium.

3. Reasonable precautions

Each **Beneficiary** must take all reasonable precautions to prevent and minimise loss or damage of any kind (including, without limitation, the risk of Claims, **Bodily Injury** and **Property Damage**) and maintain all property in good repair and comply with all legal and regulatory obligations. If a **Beneficiary** fails to comply with any of its obligations as set out above the **Insurer** shall have no liability under the Policy unless the **Beneficiary** shows that non-compliance could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

4. Sanctions

Notwithstanding any other terms under this agreement, no insurer shall be deemed to provide coverage or will make any payments or provide any service or benefit to any **Beneficiary** or other party to the extent that such cover, payment, service, benefit and/or any business or activity of the **Beneficiary** would violate any applicable trade or economic sanctions law or regulation.

The **Beneficiary** shall make a definite claim for any **Bodily Injury or Property Damage** for which the Insurer may be liable within a reasonable time after such final determination.

7. Compliance with terms of the Policy

If Policy cover is conditional upon the **Beneficiary** complying with any term of this Policy, the Insurer will not pay for any claim where the **Beneficiary** has not complied with such term except where the term concerned:

A) is operative only in connection with particular premises or locations; or

B) is operative only at particular times; or

C) is intended to reduce the risk of particular types of accident, injury, loss, damage or liability

then the Insurer will pay for claims where the **Beneficiary** can prove that the **Beneficiary's** non-compliance with the term could not have increased the risk of the accident, injury, loss, damage or liability which occurred.

8. Conditions Precedent / Warranties

No provision in this Policy shall be construed as a condition precedent or warranty unless it is expressly and individually stated to be a condition precedent or warranty.

F. How to make a claim

No indemnity will be paid for the liability of any **Beneficiary** who has not complied strictly with the requirements of this Section F.

As soon as a **Beneficiary** becomes aware of a potential claim, a **Beneficiary** must use all reasonable endeavours to try to limit the amount of any liability.

It is a condition precedent to the liability of the Insurer under this Policy that:

- a. - b. On receipt, the **Beneficiary** shall forward to the Insurer immediately every letter, claim, writ, summon, process or other document unacknowledged.

- a. The **Beneficiary** shall not, without the written consent of the **Insurer**, admit or repudiate liability, negotiate or make any offer, promise or payment in connection with any claim.
- b. The **Insurer** shall be entitled, but not obliged, to take over and conduct in the name of the **Beneficiary** the defence or settlement of any claim, or to prosecute in the name of the **Beneficiary** at its own expense and for its own benefit any claim, for indemnity or damages or otherwise any persons, and shall have full discretion in the conduct of any proceedings and in the settlement of any claim.
- c. The **Beneficiary** shall give all such information and assistance as the **Insurer** may require.

5. Discharge of any Liability

The **Insurer** may at any time pay the Limits of Indemnity (after deduction of sum or sums already paid), or any lesser sums

for which any claim or claims can be settled, and shall then be under no further liability in respect thereof except for the payment of salvage costs in the sense of clause 106 of the Belgian Insurance Act ("Salvage Costs") incurred prior to such payment. Provided that, in case of a claim or series of claims arising from an **Event** resulting in liability of the **Beneficiary** to pay a sum in excess of the Limit of Indemnity, the **Insurer's** liability for such Salvage Costs shall not exceed an amount being in the same proportion as the **Insurer's** payment bears to the total payment made by or on behalf of or to be made by the **Beneficiary** in satisfaction of the claim or claims.

6. Subrogation

On making any payment in respect of any liability in relation to which cover is available under this Policy, the **Insurer** may in a **Beneficiary's** name, at the **Insurer's** cost, recover against any third party who is responsible for the liability up to the amount which the **Insurer** has paid. The **Beneficiary** shall also provide all such assistance as the **Insurer** may require in relation to such recovery. To the extent that any recovery is made from any third party in respect of any liability in relation to which cover is available under this Policy, the **Insurer** shall be entitled to those proceeds up to the amount of any payments it has made in relation to such liability. The **Beneficiary** shall co-operate with the **Insurer** and comply with all instructions from the **Insurer** in relation to the process and procedure for making any such recovery. The **Insurer** shall have sole discretion as to whether such recovery should be pursued.

7. Fair Presentation of the Risk

- a. At inception and renewal of this Policy and also whenever changes are made to it at the Policyholder's request the Policyholder must:
 - i. disclose to the Insurer all material facts in a clear and accessible manner; and
 - ii. not misrepresent any material facts.
- b. If the Policyholder does not comply with clause a) of this condition the Insurer may:
 - i. avoid this Policy which means that the Insurer will treat it as if it had never existed and refuse all claims where any non-disclosure or misrepresentation by the Policyholder is proven by the Insurer to be deliberate or reckless in which case the Insurer will not return the premium paid by the Policyholder; and
 - ii. recover from the Policyholder any amount the Insurer has already paid for any claims including costs or expenses the Insurer has incurred
- c. If the **Policyholder** does not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless this Policy may be affected in one or more of the following ways depending on what the Insurer would have done if the Insurer had known about the facts which the **Policyholder** failed to disclose or misrepresented:
 - i. if the Insurer would not have provided the **Policyholder** with any cover, then the Insurer will have the option to:
 1. avoid the policy which means that the Insurer will treat it as if it had never existed and repay the premium paid; and
 2. recover from the **Policyholder** any amount the Insurer has already paid for any claims including costs or expenses the Insurer has incurred.
 - ii. if the Insurer would have applied different terms to the cover the Insurer will have the option to treat this Policy as if those different terms apply. The Insurer may recover any payments made by the **Insurer** on claims which have already been paid to the extent that such claims would not have been payable had such additional terms been applied.
 - iii. if the **Insurer** would have charged the **Policyholder** a higher premium for providing the cover the **Insurer** will charge the **Policyholder** the additional premium which the **Policyholder** must pay in full.

8. Fraud

- a. If the **Beneficiary**, or anyone acting for the **Beneficiary**, makes a fraudulent claim, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement or other device, the **Insurer**:
 - a. will not be liable to pay the claim and
 - b. may recover from the **Beneficiary** any sums paid by the **Insurer** to the **Beneficiary** in respect of the claim and
 - c. may by notice to the **Beneficiary** treat this **Policy** as having been terminated with effect from the time of

the fraudulent act.

b. If the **Insurer** exercises their right under 8 (a)c. above:

- i. The **Insurer** shall not be deemed to cover the **Beneficiary** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to the **Insurer** obligation to cover under this **Policy** (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
- ii. The **Insurer** does not need to return any of the premium paid. The exercise of any of those rights by the **Insurer** shall not affect the cover provided under the Policy for any other **Beneficiary**.
