Arima Nights:
Jazz & Poetry
7pm – 8pm

Arima Nights is a nocturnal celebration of life, love and friendship, in jazz and poetry. Jazz singer-poet Michelle Chua with guitarist Liu Yonglun play a stirring selection of jazz to take listeners across time and space.

Like troubadours, they perform a set of original love poems by the spoken word duo of Venezia May and Michelle C.

Arima Nights recollects the moment when the duo found themselves lost in Japan but not alone, one autumn night, enroute to ancient Arima Onsen, with its 1000-year history.
