A network diagram consisting of numerous blue spherical nodes connected by thin, gold-colored lines. The nodes are arranged in a roughly circular pattern, with some nodes at the top and bottom, and others filling the space in between. The connections are dense, creating a complex web of lines. The background is a light, neutral color.

Turn Your Network into Revenue.

The RAD Platform Agent Program rewards you
for sharing a tool you already trust.

Earn a Commission for Every New User You Refer

The Agent Program is our way of thanking you for advocating for the RAD Platform. When a new user signs up and uses the platform with your unique referral code, you earn a commission based on their paid usage.

This guide will show you exactly how it works.

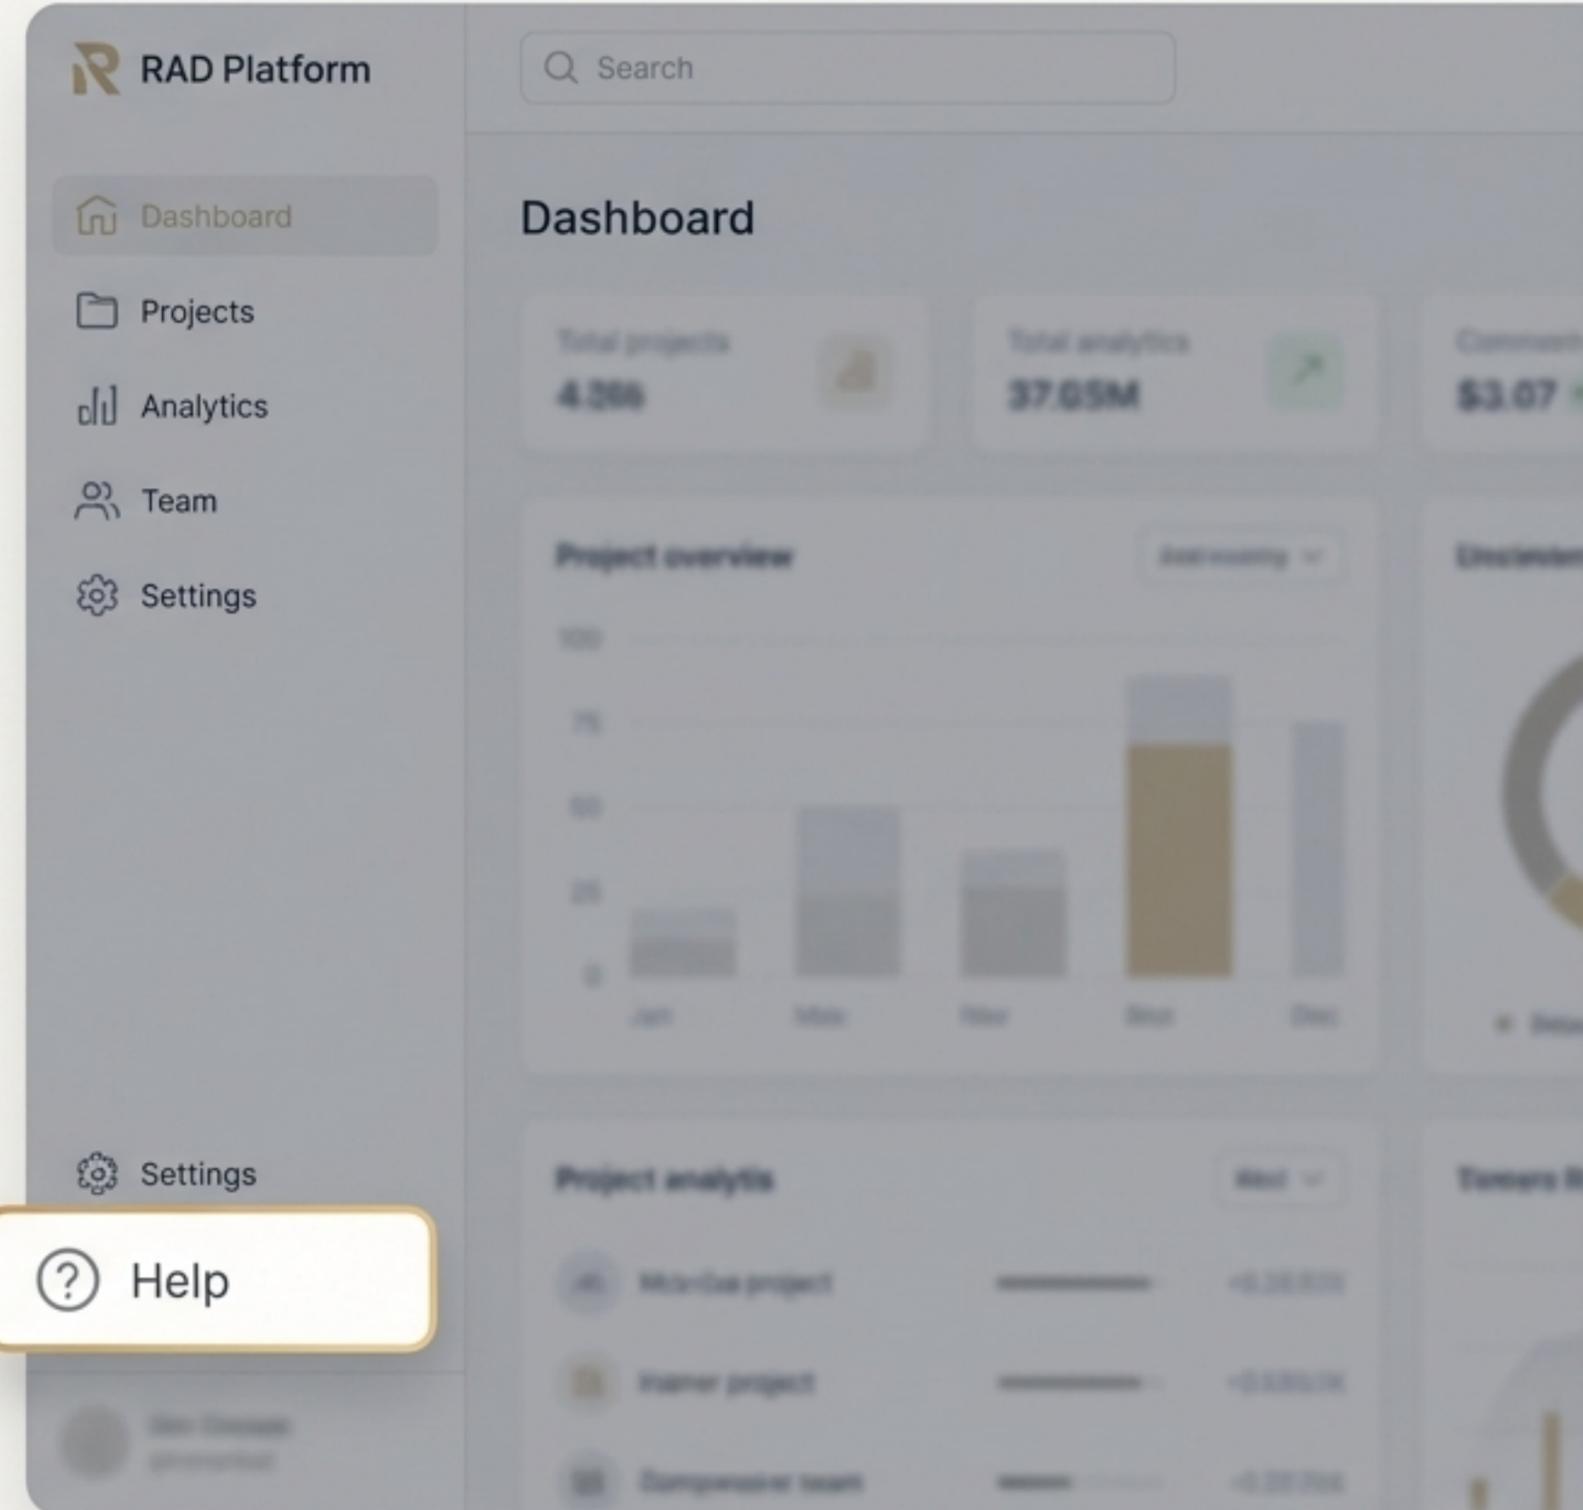

The Path to Earning is a Simple 3-Step Process

We've designed the program to be straightforward and transparent.

Step 1: Find Your Referral Code

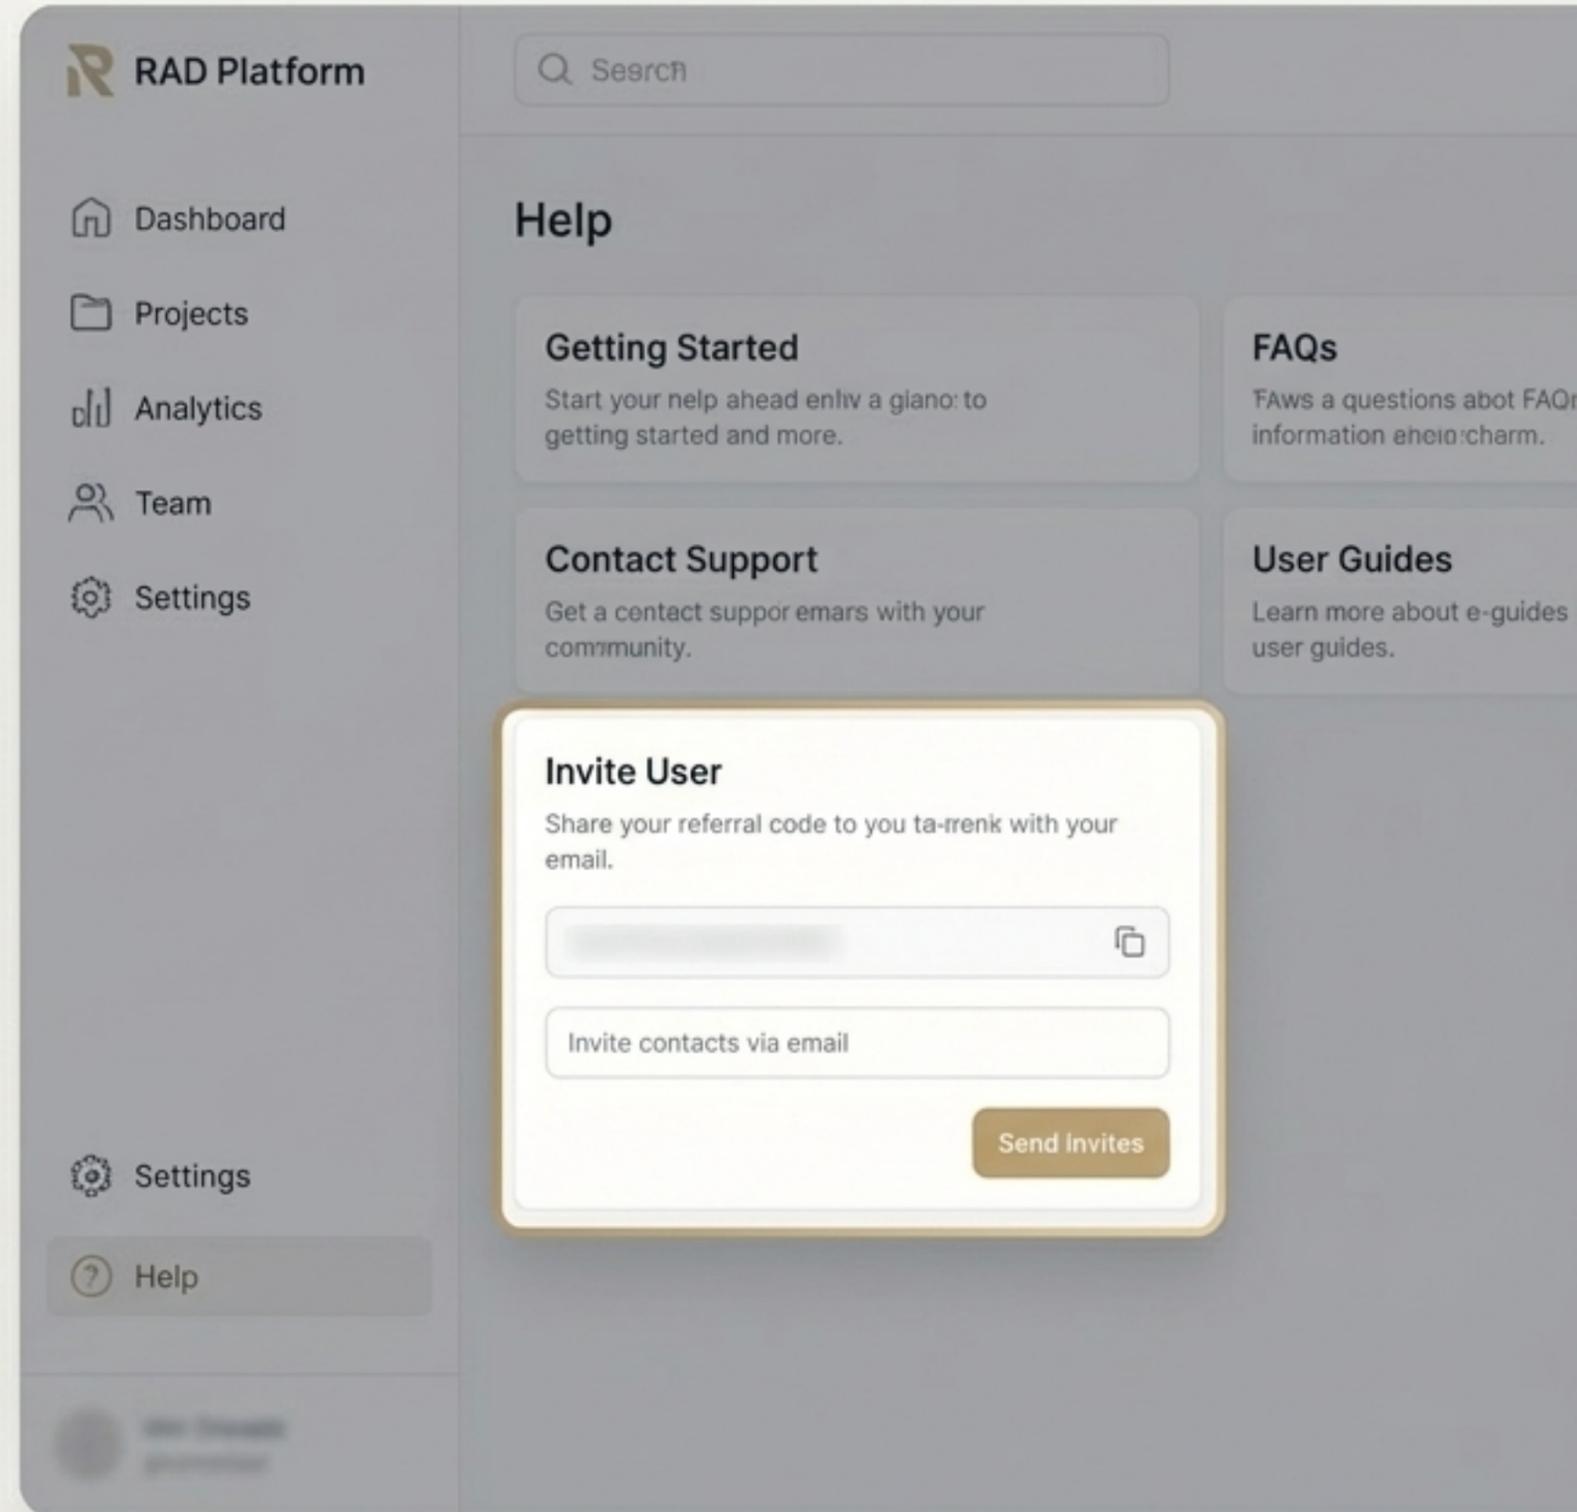

Start by navigating to the **Help** section in the main navigation bar.

Locate the 'Invite User' Section

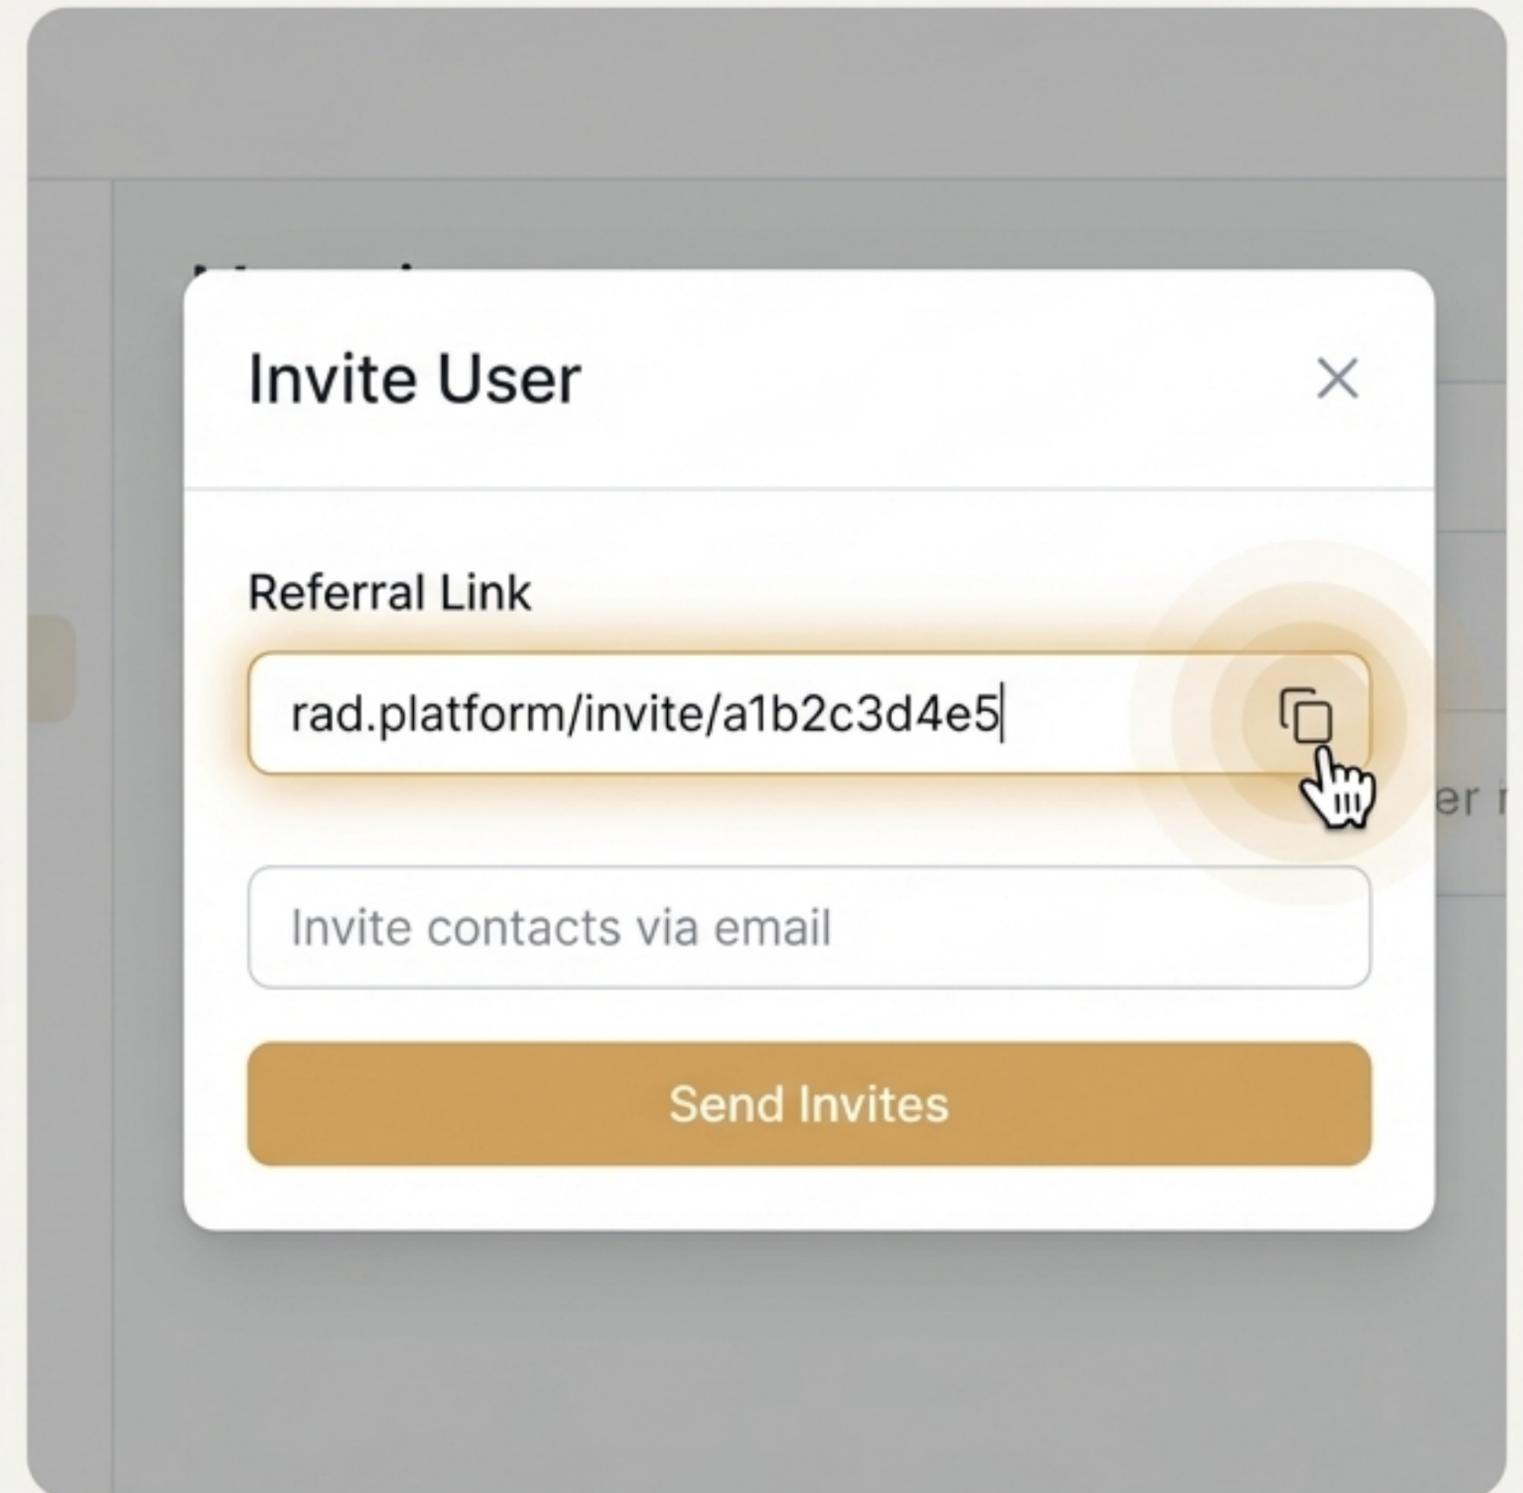

Once in the Help menu, look for the '**Invite User**' section. This is where your unique referral assets are stored.

**Note: This section is only visible if referrals are enabled for your account.*

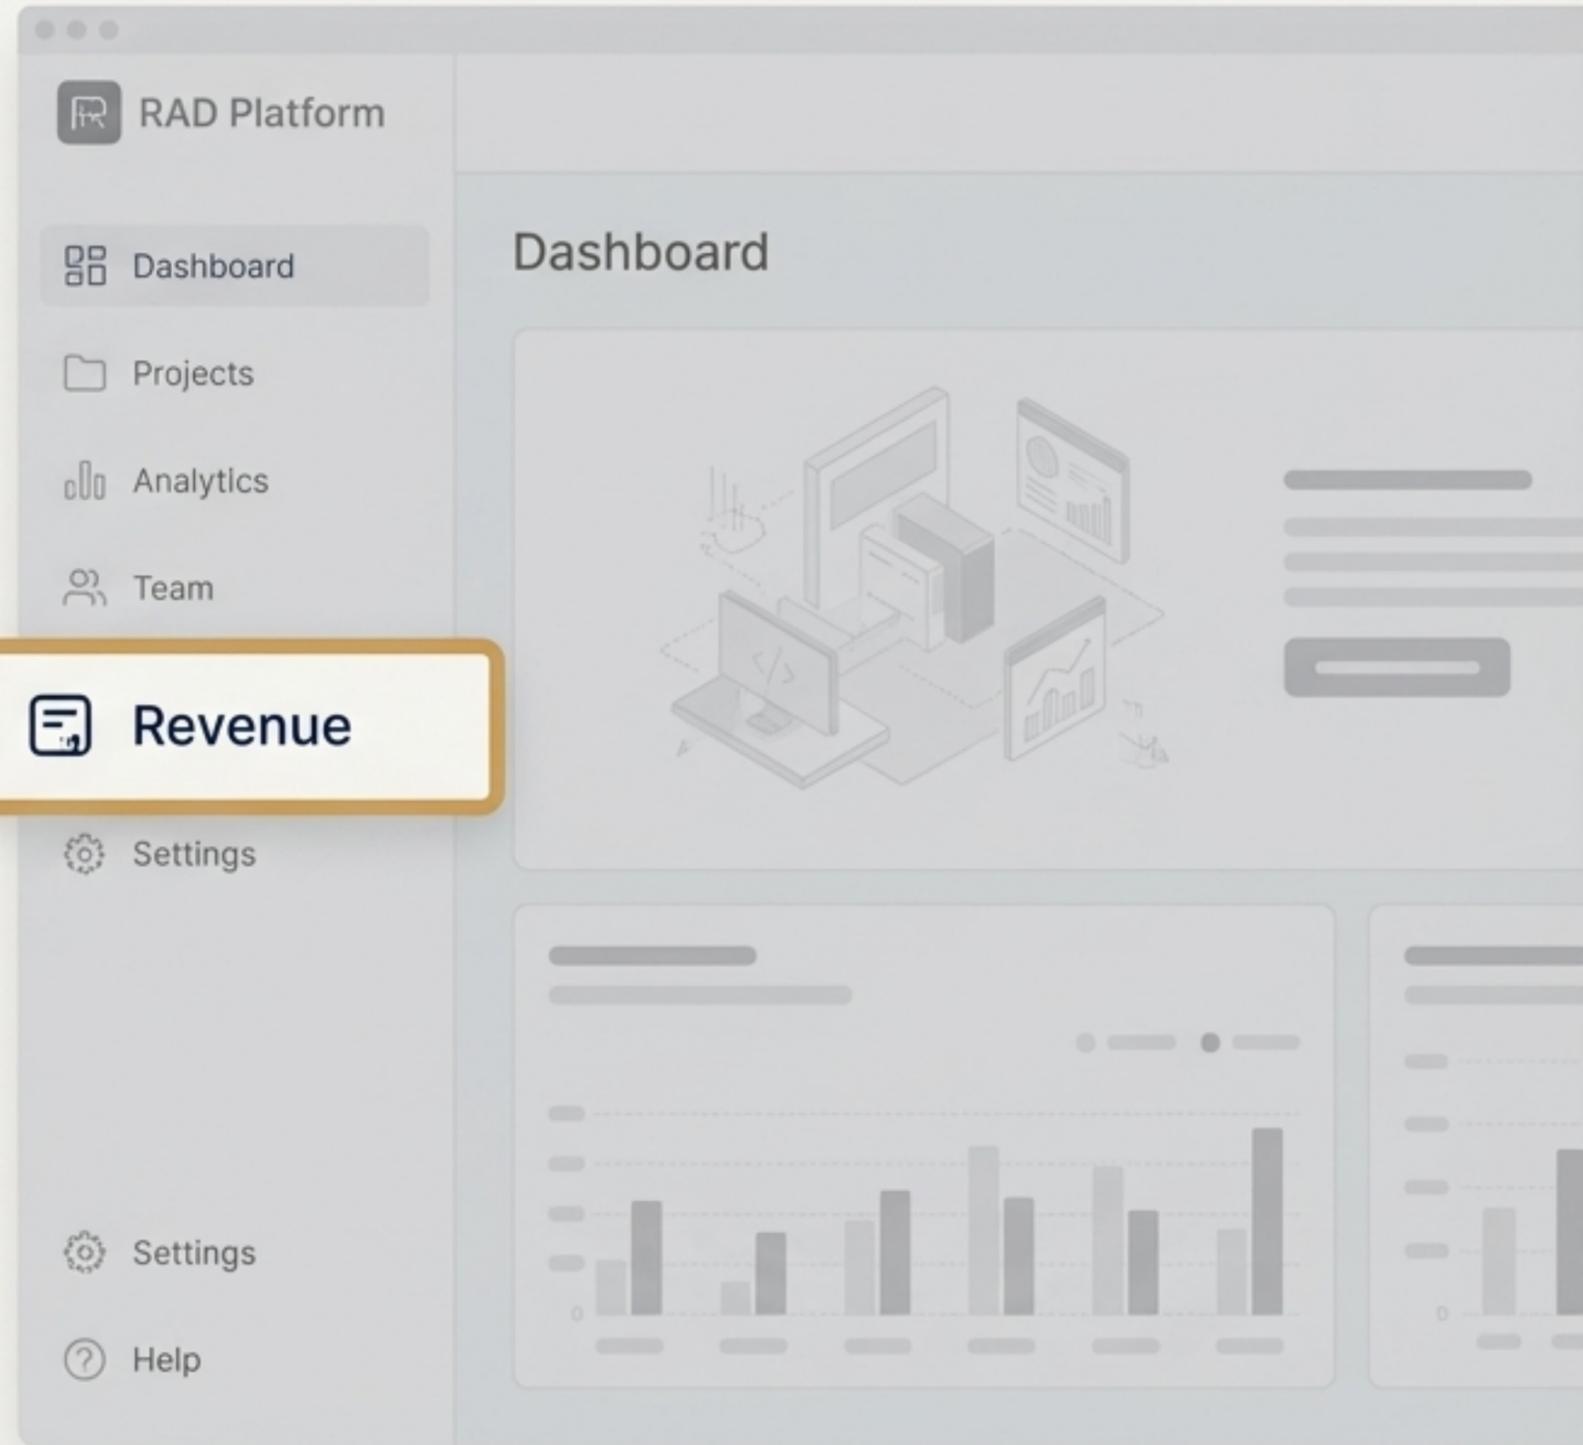

Copy and Share Your Unique Link

You can copy your **Referral Link** or Code directly. Share this with potential users through email, social media, or your personal network.

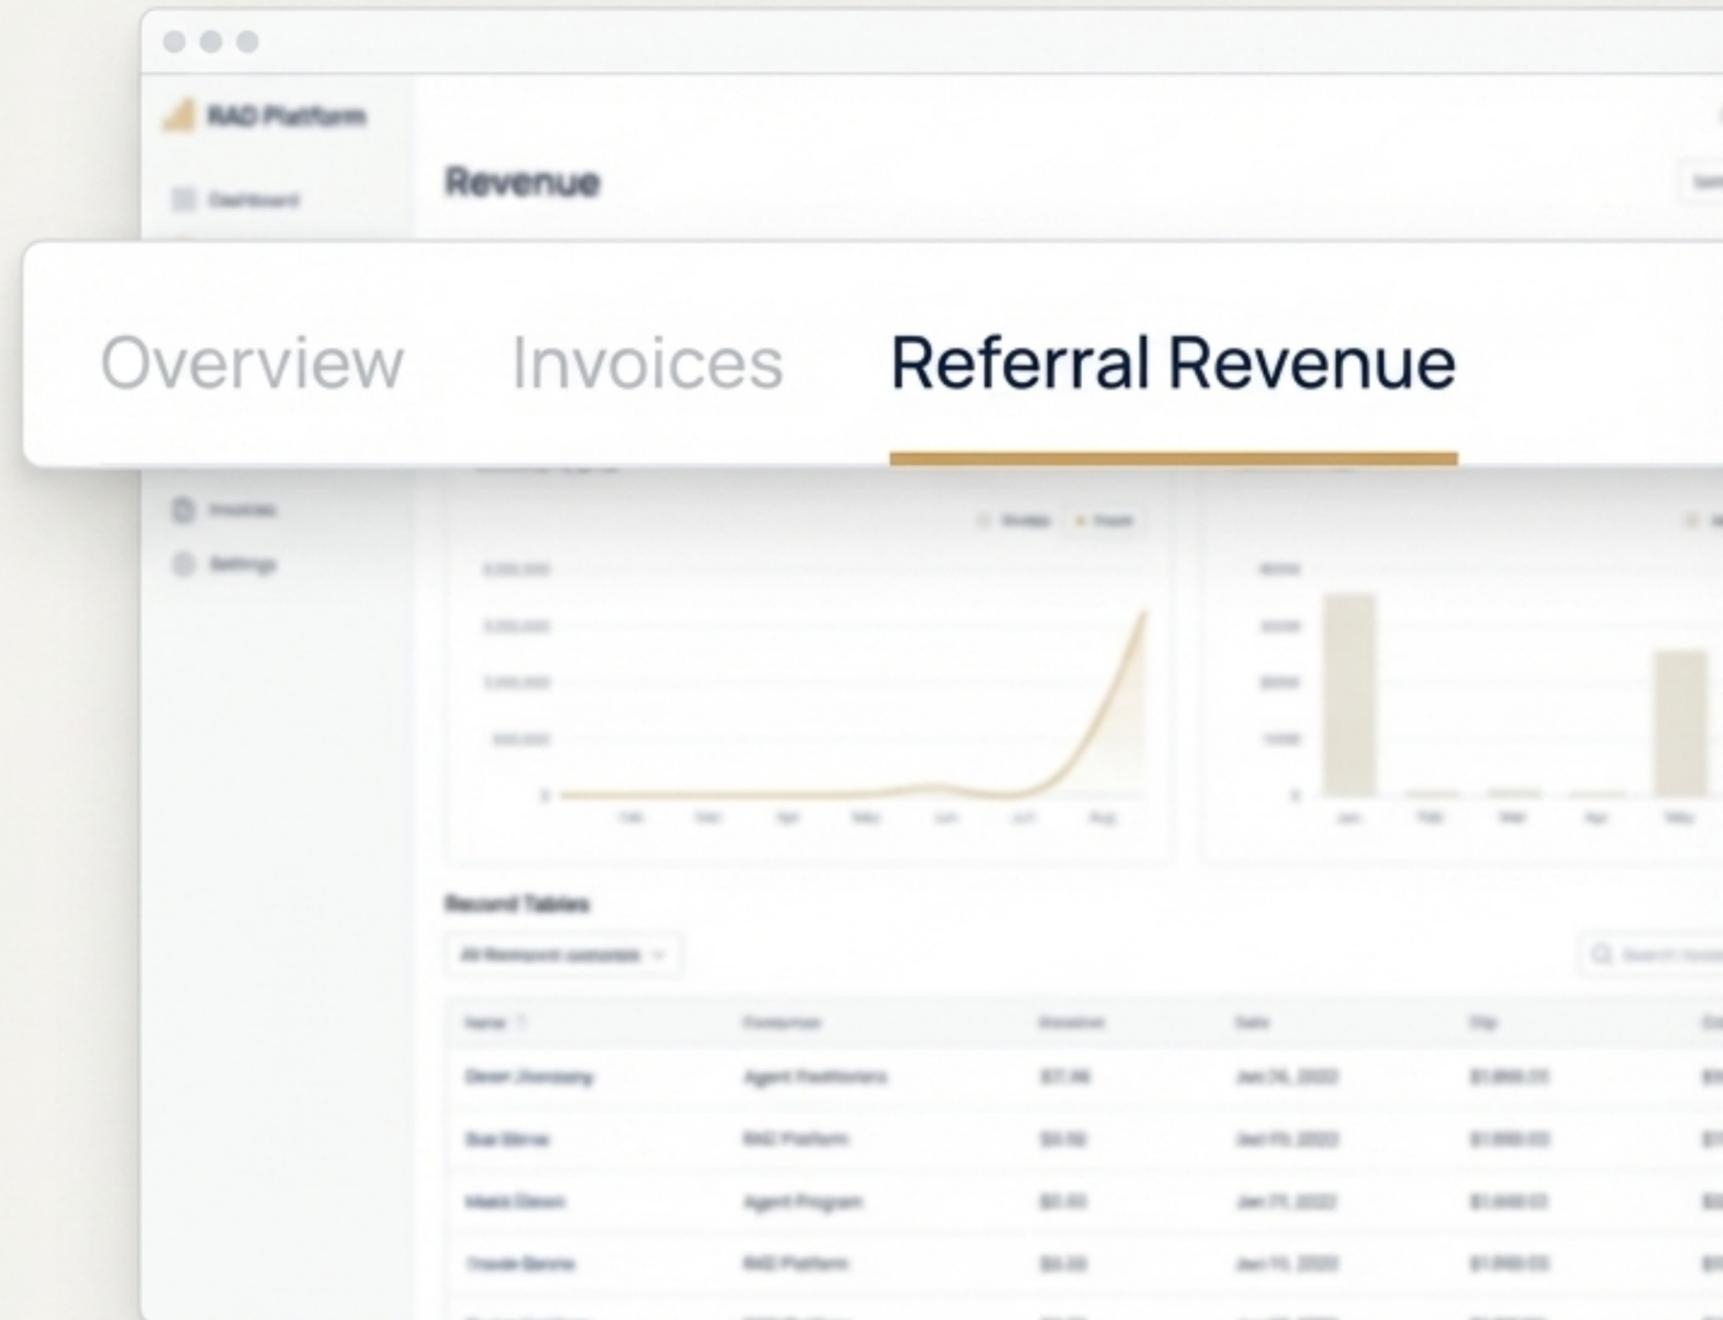

Step 2: Track Your Referrals and Revenue

To see who has signed up with your code and monitor the revenue they generate, click **Revenue** in the navigation bar.

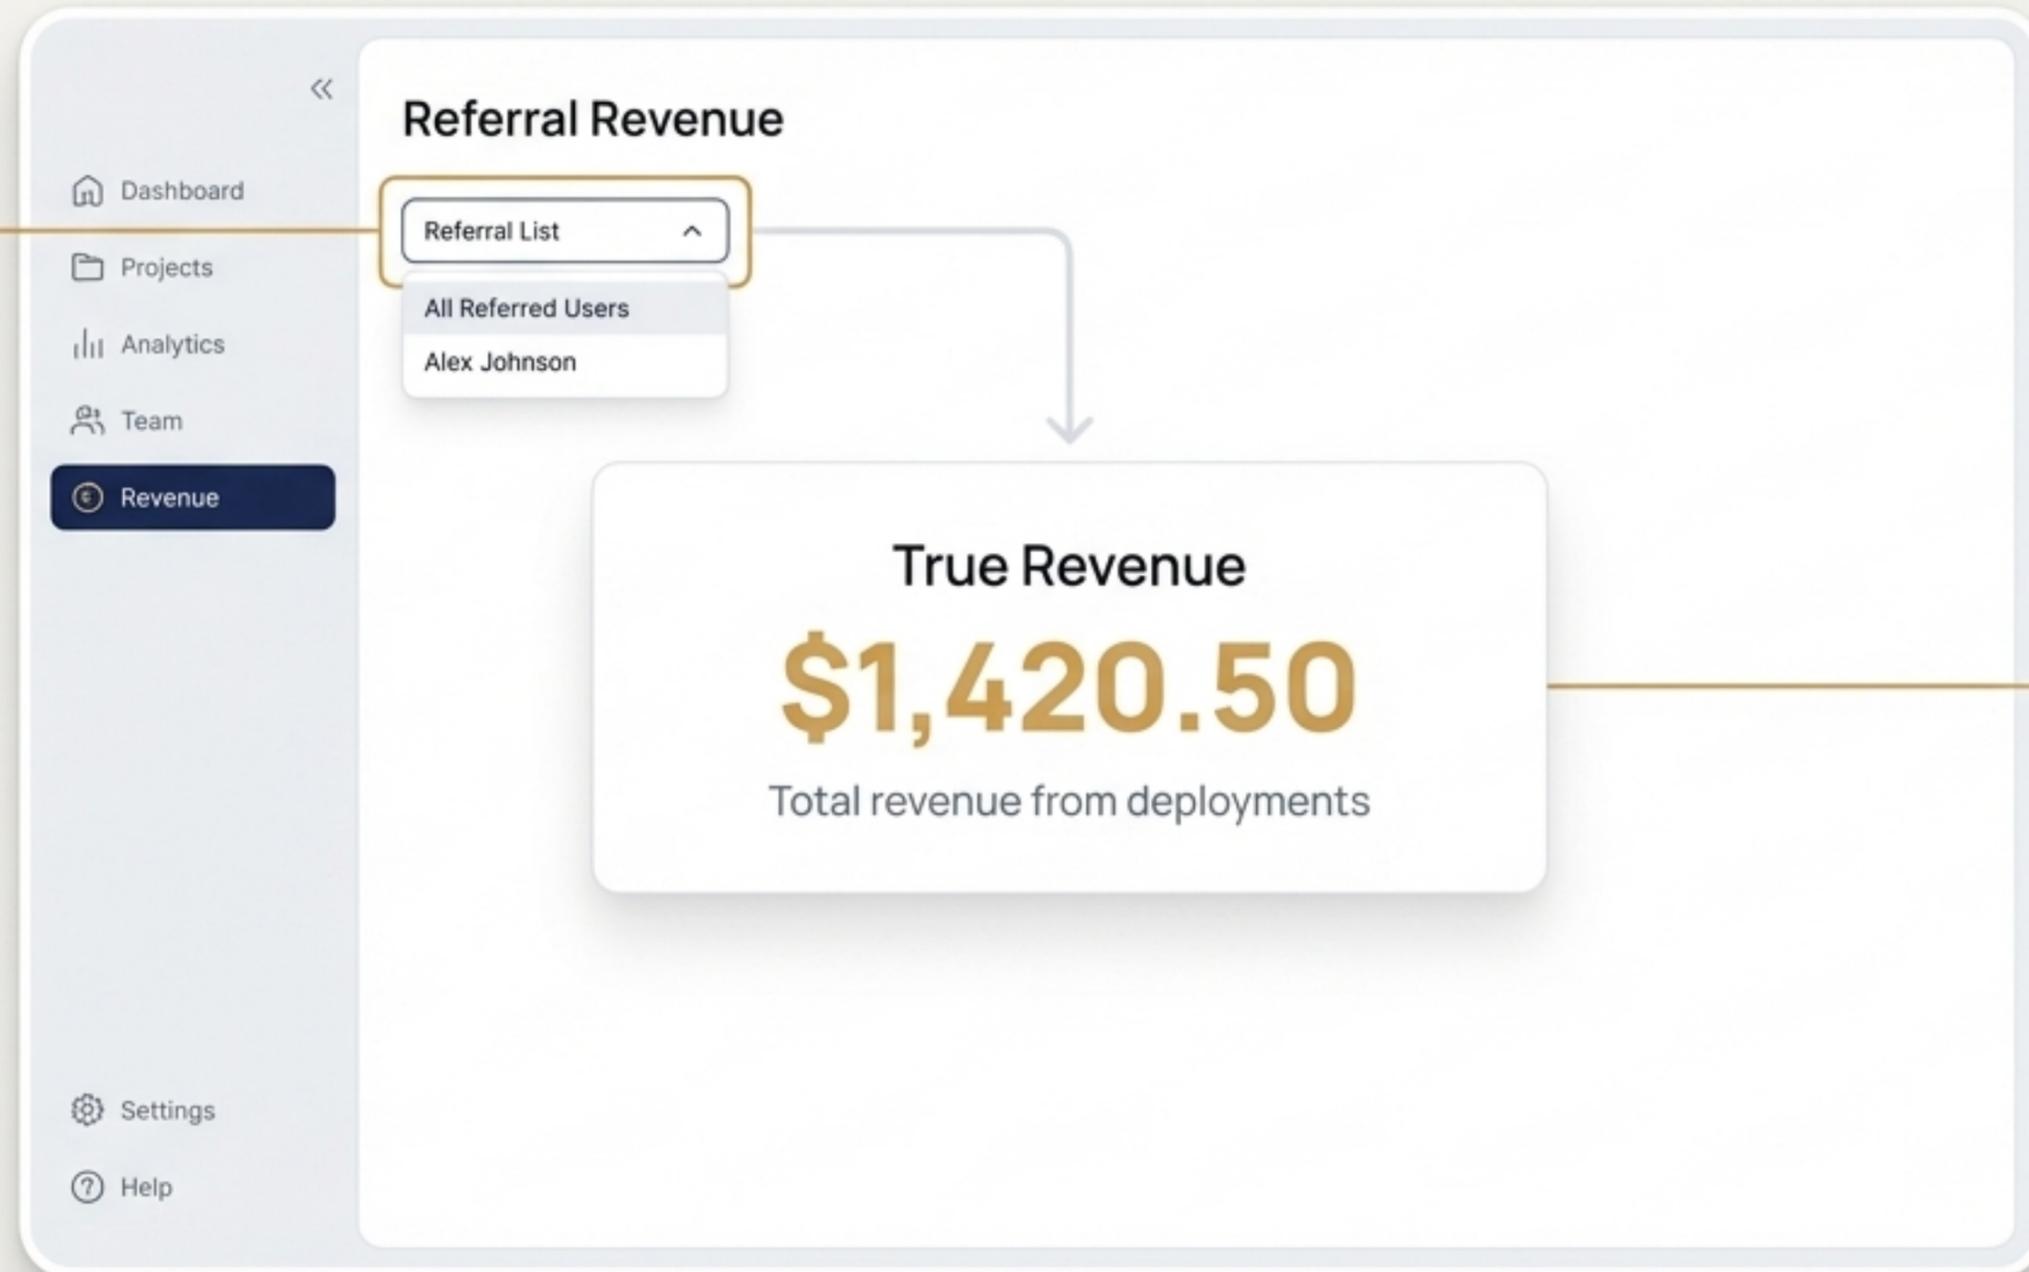

Navigate to the Referral Revenue Tab

Within the Revenue section, switch to the **Referral Revenue** tab. This dashboard is dedicated exclusively to your Agent Program activity.

Monitor Performance and See Your Earnings Grow

Referral List: Use the dropdown menu to view and select specific users you have referred.

True Revenue: This is the key metric. It shows the total revenue generated by your referred user's deployments, which your commission is based on.

Step 3: Payouts Are Processed Monthly

We make getting paid simple.

- Payouts for your earned commissions are processed automatically every month.
- If you ever need to update your payout method, simply contact our support team.

Your Path to Revenue: A Quick Recap

1. Find & Share

Get your unique Referral Link from the **Help > Invite User** section.

2. Track

Monitor your success in the **Revenue > Referral Revenue** tab and watch the 'True Revenue' grow.

3. Earn

Receive your commission payouts automatically each month.

Unlock Your Revenue Stream Now

You have everything you need to start earning. Log into the RAD Console and find your referral code today.

A blurred screenshot of the RAD Platform Dashboard. The dashboard features a top navigation bar with the 'RAD Platform' logo and a 'Dashboard' title. On the left, there is a sidebar menu with several items. The main content area contains various data visualizations, including a line chart, a bar chart, and a donut chart. A dark blue rounded rectangle is overlaid on the center of the dashboard, containing the text 'Find Your Referral Code in the Console'.
