MEDIA INFORMATION

Media Seating/Work Area

The press box at McCamish Pavilion is located in the balcony level section 211. From the main concourse, take the stairs located near the Mark Moon Family Entrance to the upper concourse. The entrance to the seating area is the second left.

The press box is the work area for print and internet writers.

Photographers

Photographer and videographer shooting space is limited to the baseline area on either side of the goal standard adjacent to the Georgia Tech bench, and half the baseline on the opposite end nearest the visiting team bench.

Work space is also available in the Shah Media Room (same location at the post-game interviews).

Press Area Operations

- Printed materials (including game notes, programs and stats) will not be distributed. These materials will be available online.
- Bottled drinks will be available throughout the game in the Shah Media Room.
- Wireless internet access is available in the press box via the network "GTVisitor." After connecting, launch your browser, and bypass login information by clicking on the button "No Thanks." Or ask a member of the communications staff for help. No pool phones are available in the press box.

Post-Game Procedures

Per ACC guidelines, each team's head coach will be brought to the Shah Media Room for a post-game press conference. Selected Georgia Tech players will be made available in the interview room either before or following the two coaches depending on timing.

Post-game access to visiting team players vary by opponent, but in most cases players can be available outside their locker room, which is located a floor below the Shah Room. Check with the visiting team's communications representative for post-game access.

Media Access Guidelines

The Yellow Jackets' student-athletes and coaches are generally available to the media around practices prior to each game during the season. Media sessions will be scheduled and announced weekly.

Georgia Tech's practices are closed to the public and the media unless you are notified otherwise.

Interview requests with student-athletes that need to be conducted at other times must be made through Liz Ryan in the communications office at least 24 hours in advance. These interviews will be scheduled around the student-athletes' availability and schedule.

Media are asked not to contact student-athletes directly either by phone, text, social media or e-mail; they are instructed to refer media to the communications office. Every effort will be made to make players available when requested. Players are not available on game days until after the game.

Interviews with Coach Cross

Media wishing to speak with Coach Scott Cross at times other than scheduled media sessions or the ACC Teleconference must set up an appointment in advance through Liz Ryan in the communications office.

Releases/Photos

Georgia Tech basketball releases, statistics, game notes and media advisories are distributed via e-mail to a list maintained by the communications office. Media wishing to be added to this list should send a request to Liz Ryan. Photographs and video are available on request.

ACC Media Portal

The ACC Media Portal provides video from a variety of press conferences and select ACC Championship footage throughout the athletic year. Game highlights from regular season football and basketball games will no longer be provided. If you are interested in access to the ACC Media Portal, please contact Andy Fledderjohann at the ACC media relations office (afledder@theacc.org) to gain access and for additional information. The use of ACC Championship highlights provided through the ACC Media Portal remain subject to all restrictions as outlined in the ACC News Access Guidelines.
