## All Conference Honors

The Basketball season is over and RJC can be proud to say that it had two members placed on the All-Conference Team selected by the respective coaches of all the teams in the conference. Ronie Wayne Smith of the men's team and Maggie Adams of the women's team made the prestigious team.

# Track Men Break Records

Ranger Junior College track teams won both Men's and Women's team titles as a total of 19 records were broken at the Tarleton State Relays March 28. The Ranger Men scored 211 points to win the Men's title. The women totaled 145 points to capture the women's title.

Leodgar Martin, a Tanzanian who missed the Olympics by one man (former Ranger runner Agapius Amo), ran alone after breaking the field of runners in the 5000 to a meet record of 14:29.41.

Ranger's mile relay also turned in an impressive showing after a strong block leg coming from Ricky Roberts, who ran the first leg in 49.82. Roberts then handed the baton to Bobby Basset who increased the lead to about 30 meters.

Running his leg in 48.91 Bobby then passed the stick to Bobby McKane, who received the baton all alone. Bobby paced himself to a 49.1. He then passed the baton to George Bullard who came in on a strong 48.10 to win the mile relay.

# Ranger Track at its Best

The RJC distance medley team smashed the National Junior College and Texas Relays' records by almost five seconds in Austin April 5, with an easy victory.

Ricky Roberts, the former Goldthwaite half-miler, quarter-miler George Bullard, Zak Gwandu and Pat Chester were clocked in 9:41.65, breaking Ranger's own national and junior college mark of 9:46.41 set in 1982.

The Rangers were behind going into the final two legs.

Gwandu was timed in an excellent 2:58.4 for three laps and Chester was clocked in 4:01.5 for the four-lapper (1600 meters).

Gwandu gave the Rangers a lead Chester never came close to losing.

Ranger won its heat of the 1600 meter relay record in 3:13.7 although Odessa won the other heat in 3:07.72. The Rangers also qualified in the spring relay with a 42.05 clocking, finishing third in their heat.

## Intramurals Conclude First Half

The first half of the RJC Intramurals came to a conclusion March 27. The championship game was played between Southside and the Terminators.

Going into the first game of the intramurals schedule, Southside was considered the team to beat. They showed just how powerful they were in the championship game as they walked all over the Terminators to end the first half of the season 7-1. The final score was an easy 78-68 victory for Southside.

The Terminators ended the season in second with a record of 6-2. The Skywalkers were third with a record of 5-2. The Bruisers and Dream Boys came in fourth with records of 4-3. Ending up in fifth were the Smurfs and White Lighting with records of 2-5. The Cavaliers were in last place with a 0-7 mark.

## Road To The Championship

The second half of the RJC Interamurals program started April 3, in the RJC Gym. Teams for the second half are as follows: D.A. All-Stars, Dream Boys, Lakers, Rapsallions, Sixers, Smurfs, Skywalkers and White Lighting.

The teams must pay \$10 to enter the second half the Interamurals. Money is to be given to the referees of the game.

The second half of the Interamurals will come to an end May 1. So don't dare miss The Road To The RJC Interamurals Championship!

## Thanks Photo Class

The members of the Roundup Staff would like to express sincere appreciation to Mr. Jay Bethany and his photography class for their assistance with the pictures for this issue.

## Track Women Running Strong

Ranger Junior College track teams won both Men's and Women's team titles as a total of 19 records were broken at the Tarleton State Relays March 28. The Ranger Men scored 211 to win the men's division while the women won with a total of 145 points.

Major contributors to the women's title included Melissa Boyett who won the 5000 meter run with a record breaking time of 5:12.1. In the relays the ladies turned in impressive finishes of second in both the sprint relay and the mile relay. All in all it was an outstanding team effort for the RangeAnn's track team.

## Baseball Hits Rough Season

A talented RJC baseball team got off to a slow start this season. Rangers opened up with McClennan losing 3 games. They then faced Northwood losing 2 out of 3. Hill Junior College was next on the list and the Rangers won 2 out of 3.

The Rangers then traveled to Howard in Big Springs losing 3. The Rangers scored a lot of runs but Ranger pitching could not hold off the Howard Hitters. Rangers last conference series was in Waco against McClennan and it turned out the same. Putting Rangers' Conference record at 3-12.

The Rangers have more overall talent than anyone faced but just can't seem to get things together. Ranger still has an outside chance of making the play-offs if they go undefeated.

## If I Had A Hammer...

This is the tune Kyong H. Song might be singing at the track field. As a native of Korea, Kyong became the top hammer thrower in Ecuador, South America.

When relatives from Dallas asked Kyong to live with them, he accepted. Then, when looking for a school to attend, it was pure luck that Ranger was chosen because of its late registration. Soon after, he was offered a scholarship to throw the hammer.

Kyong first attended Northrup University of Technology, in Los Angeles for two years. In R.J.C. he is a sophomore Electronics Engineering major. He plans to finish his degree at Southern Methodist University.

When asked what was ad-

mirable about Ranger, Kyong replied, "I guess it's the nice people...I just wish the girls were friendlier."

Kyong's philosophy is to do sports and everything in God's name. God gives him the strength to do his best.

## Campus Group Attends Regional Camp
