

Rasa X Community Edition License  
Version 1, May 21st 2019  
Licensor is Rasa Technologies, Inc.

### **Acceptance**

In order to get any license under these terms, You must agree to their rules. Those rules are both obligations under the agreement and conditions to all the licenses granted to You under these terms. Licensor may not revoke any licenses granted under these terms, but your licenses may end if you break any rule of these terms.

### **Copyright License**

Licensor grants You a copyright license for the Software, to do everything you might do with the Software that would infringe Licensor copyright in it, for any Permitted Purpose. However, You may not change the Software. You must ensure that anyone who gets a copy of any part of the Software from You also gets the text of this license or a link to its text on:

### **Patent License**

Licensor grants You a patent license for the Software that covers patent claims Licensor can license, or becomes able to license, that You would infringe by doing anything You are licensed to do under these terms.

### **Noncommercial Purposes**

Any noncommercial purpose is a Permitted Purpose. Any commercial purpose not restricted below is a Permitted Purpose.

### **SAAS**

It is not a Permitted Purpose to use the Software, or to allow others to use the Software, to provide any online service that competes with or provides similar functionality to any product or service that Licensor is providing using the Software.

### **Decompilation**

Using or copying the Software for decompilation or reverse engineering of any software of Licensor is not a Permitted Purpose.

### **Fair Use**

You may have other “fair use” rights for the Software under the law. These terms do not limit them.

### **No Other Rights**

These terms do not allow you to sublicense or transfer any licenses granted under these terms to anyone else, or prevent Licensor from granting licenses to anyone else. These terms do not imply any other licenses.

### **Patent Defense**

If You or any of Your Affiliated Companies makes any written claim alleging that the Software infringes or contributes to infringement of a patent, Your patent license granted under these terms ends immediately.

**No Liability**

As far as the law allows, the Software comes as is, without any warranty or condition, and Licensor will not be liable to You for any damages arising out of these terms or the use, distribution, or nature of the Software, under any kind of legal claim.

**Excuse**

If You are notified in writing that You have broken any rule of these terms, You can keep the licenses granted to You under these terms by coming fully into compliance with these terms within 30 days of receiving the notice. If You do not stop violating these terms within that time, all licenses granted to You under these terms end immediately. This excuse section is only available to you once.
