About PAN Realtors

PAN
Realtors Pvt. Ltd.

PAN Realtors Pvt. Ltd. was formed when three established, experienced and highly reputed firms collaborated to form a unique entity. Patel Engineering, the Amrapali Group and the Nirala Group came together with a vision and common objective to cater to the needs of the discerning home owner.

▲ Neotown- Bangalore South

▲ Neotown, Tech-Icon - Bangalore South

▲ Patel Estate - Mumbai

Patel
Since 1949

Patel Engineering Ltd. at the forefront of mega infrastructure and construction projects for over 6 decades, engaging in domestic projects as well as several overseas assignments. With an unparalleled experience spanning over 350 projects including the construction of dams, bridges, highways, buildings and stadiums, the company has been integral in shaping India's tomorrow.

With a consolidated global turnover of over 2500 crores, it has now forayed into Residential Developments, Integrated Townships and Commercial Spaces, with Patel Realty India Ltd. (PRIL), and is currently developing projects in major metro cities all over India.

▲ Amrapali Platinum

▲ Amrapali Sapphire

▲ Amrapali Corporate Hub, Manesar

When it comes to realty, the Amrapali Group has established its credentials as a key player in residential and non-residential space. The Group has successfully delivered several residential and commercial projects and currently has over 24 ongoing projects spanning residential, commercial and IT spaces, apart from star category hotels, shopping malls and multiplexes. Amrapali is already a nationally recognized brand which delivers on its commitment and is dedicated to fulfilling the aspirations of the home buyer.

The Group has also forayed into health care services and technical education, by way of establishing a state-of-the-art nursing home and an AICTE accredited engineering college.

▲ Amrapali Eden Park - Sector-50, Noida

▲ Nirala Eden Park Phase-I, Indirapuram

▲ Nirala Eden Park Phase-II, Indirapuram

The Nirala Group has successfully developed residential projects in and around the NCR. The Group's expertise in Real Estate, especially in the NCR region, developing projects keeping local sensibilities in mind before executing development is its key strength.

The forte of the promoters is their vast experience in construction, real estate and infrastructure. This underlines their strong commitment to the project and ensures that PAN Oasis would be the most sought after address in Noida.
