Large spacious cupboards in every room.

Extremely large balconies, up to 40 feet long.

Rooms with ceiling height of 10.5 feet for spacious feeling.

Entrance to the lobby lift for going up to the flat through card key only.

Aravali sky lounge rooftop party hall

Sprawling reception area having triple height ceiling and a waiting area for visitors.

Airy, spacious, sunlit rooms. No common walls between flats.

Two living rooms, one for family lounging and another for guests.

a quick look at the luxury awaiting you

Powder room for guests to minimize the use of home toilets.

Exclusive lift for sky terrace party hall guests.

- Besides these, the project also boasts of:
- False ceiling in the flats
 - Main entrance door with thumbs impression entry (biometric locks)
 - Kitchens with separate washing wet area, also having VRV air conditioning
 - Fully VRV air conditioned flats
 - Three side open flats with SS railing balconies

*three side open flats,
no common wall between flats*

40 feet long balconies

There are luxury apartments and then there are "the luxury apartments" like Arihant South Winds. It is replete with matchless luxuries like 10.5 ft. high ceiling, extremely large balconies (40 ft.), two living rooms – one for family and other for entertaining guests, VRV Air Condition system in kitchen with separate washing area, card key entrance for entering lobby lifts etc. To top it all, all the apartments are three side open with no common wall between two apartments for extra privacy. With such magnificent features Arihant South Winds is definitely going to be the most lavish property to the south of south Delhi

the height of luxury...
literally

A stunning infinity pool is constructed on a podium in Arihant South Winds. This swimming pool produces a visual effect of water extending to the horizon or infinity. The mesmerizing cascades of water appear to merge with the sky and the surrounding greens thereby creating a beautiful vista. This infinity pool truly depicts the height of luxury surrounded by nature.

Arihant South Winds is an amalgamation of contemporary and ethnic architecture with a profusion of flora and fauna, within and outside the building premises to provide an uninterrupted green backdrop on the first floor podium. The sprawling green cascade along with the triple height entrance lobby gives off a feeling of grandeur and warmth. An exclusive lift takes one to the Arravali sky lounge where he can relish the amazing view of the surrounding Arravali ranges. And the most amazing feature of South Winds is its hanging glass knife edge infinity pool which merges with the sky and the surrounding greens thereby creating a beautiful vista.
