Rudrapur Project

About us :

Mehak infrastructure pvt ltd has been in the housing development sector over the last one decade. The group has established its reputation as a quality real estate developers that provide quality of construction, safety of investment and integrity of commitment.

The company has so far focused in making quality but affordable housing projects in rudrapur and in delhi Ncr.

It is the group's distinct philosophy, vision and core values that differentiate it from other development groups. The use of high quality construction materials, timely completion and transparent documentation make Mehak infrastructure pvt ltd the first choice to their customers.

Mehak has built over 2 lacs sq.ft. of residential space and put a smile on the faces of more than 250 families who reside in projects at rudrapur and delhi Ncr.
